

NUCLEAR REGULATORY COMMISSION

FULL WRITTEN EXPLANATION

Approval

The Nuclear Regulatory Commission voted to close the following meeting:

Tuesday, April 24, 2001

10:30 a.m. Discussion of Intragovernmental Issues (Closed–Ex. 9)

The Commission voted 5-0 on March 21 and 22, 2001 to close this discussion which would be likely to significantly frustrate implementation of proposed Commission action.

Attendance

- Commissioners and members of their staffs
- Representatives of Commission Staff Offices
- Representatives of the Executive Branch
