

March 22, 1978

U. S. Nuclear Regulatory Commission
Division of Fuel Cycle and Material Safety
Washington, D. C. 20555

Attn: Mr. Bernard Singer

Gentlemen:

Eastman Kodak Company requests the renewal of License #31-00461-10 (copy enclosed) which covers our use of tritium-activated luminous buttons in Kodak Film Processing Laboratories located in non-agreement states. The only material currently covered by this license are 48 one millicurie buttons used in our Honolulu laboratory.

If there is a charge for this license, please bill Eastman Kodak Company and forward to me at the address shown below. Should there be any questions, call me at 716: 458-1000, Ext. 85636. ✓

Sincerely,

Richard F. Scherberger
Radiation Safety Officer
