NATIONAL RESEARCH CORPORATION

70 Memorial Drive/Cambridge, Massachusetts 02142

2 September 1966

U. S. Atomic Energy Commission
Region 1
376 Hudson Street
New York 14, New York

Attention: Mr. A. F. Ryan

Subject: License No. 20-1465-6 (Expired)

Gentlemen:

The critical material, Americium 241, purchased under the subject license, from U. S. Radium Corporation, Morristown, New Jersey, has been disposed on October 29, 1964 by U. S. Radium Corporation, P. O. Box 246, Morristown, New Jersey. A copy of their letter, dated October 30, 1964, confirming disposition of the radioactive waste is enclosed.

If there are any further questions regarding the expiration of the subject license, don't hesitate to contact us.

Very truly yours,

NATIONAL RESEARCH CORPORATION
