376 Hudson Street  
New York 14, New York

Attention: Mr. A. F. Ryan

Subject: License No. 20-1465-5 (Expired)

Gentlemen:

The critical materials, Strontium 90 and Polonium 210, purchased under the subject license from U. S. Radium Corp., Morristown, New Jersey has been disposed on June 1, 1964 by Allied-Crossroads Nuclear Corporation, 201 Victory Road, Dorchester 22, Massachusetts. A copy of the Radioactive Shipment Record is enclosed.

If there are any further questions regarding the expiration of the subject license, don't hesitate to contact us.

Very truly yours,

NATIONAL RESEARCH CORPORATION

Frank J. Salomone
