Office Memorandum • UNITED STATES GOVERNMENT

TO : Lyall E. Johnson, Chief, Licensing Branch,
Division of Construction and Supply

DATE: 5/5/54

FROM : D. W. Lillie, Chief, Metallurgy & Materials Branch,
Division of Research *DWL*

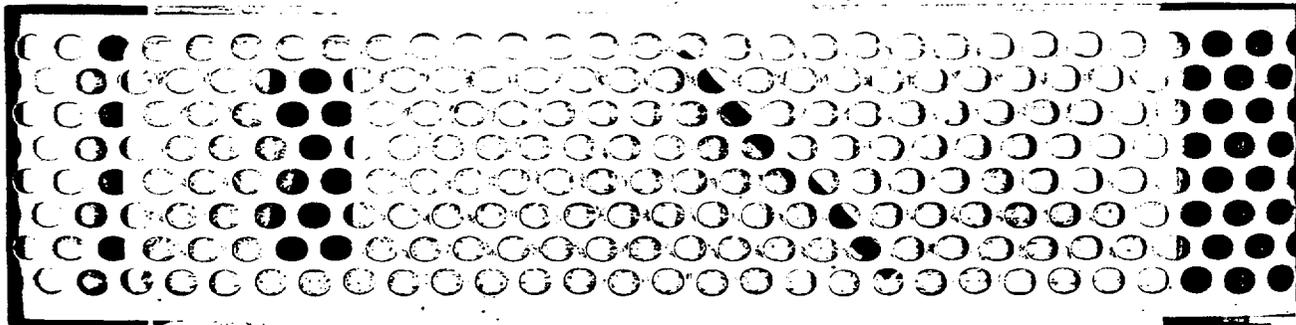

SUBJECT: THORIUM FOR NATIONAL RESEARCH CORPORATION

SYMBOL: R:MM:DWL

Attached is a copy of a letter received from Dr. Manson Benedict, National Research Corporation, requesting a license for 20 pounds of thorium. Also attached is a copy of my acknowledgement to Dr. Benedict.

I would appreciate it if you will do whatever is necessary to supply Dr. Benedict with the requested license.

Att.
