I live in Utah & want to voice my right not to have a nuclear dump put in our state.  
 I am totally against Utah being considered for a dump on the Goshutes land with PFS as their business partner.  
 The state has paid a huge price already-downwinders-!  
 So please, when your agency works on the matter, take in the rights of those who live here not those who want to dump here!  
 J. Inskeep

Here is a comment on PFS that we received in the Office of Public Affairs. We are forwarding it to you for processing along with other public comments.

Thanks.
