Gentlemen:

By our letter dated February 19, 1976, we transmitted to you an amendment to License No. DPR-16. Through an oversight, the amendment number was incorrectly typed on the Amendment only. The amendment number should read No. 13 and not No. 11 as indicated. The enclosed Amendment corrects this error and should be substituted for the previous one.

Sincerely,

George Lear, Chief  
Operating Reactors Branch #3  
Division of Operating Reactors
