MEMORANDUM TO: Niles Chokshi, Chief
Materials Engineering Branch
Division of Engineering Technology, RES

FROM: Nancy Osgood, Acting Chief */RA/*
Licensing Section
Spent Fuel Project Office, NMSS

SUBJECT: MEMORANDUM OF ACKNOWLEDGEMENT FOR ASSISTANCE OF
MARK KIRK WITH DOE WEST VALLEY TN-REG AND TN-BRP
SHIPMENT APPLICATION REVIEW

The Spent Fuel Project Office (SFPO) would like to express its appreciation for the assistance of Mark Kirk, RES/DET/MEB, in the technical review conducted for the Department of Energy's (DOE) application for a one-time shipment of the TN-REG and TN-BRP spent fuel transportation packages from the DOE West Valley Demonstration Project in West Valley, New York to the Idaho National Engineering & Environmental Laboratory (INEEL).

Mr. Kirk's assistance provided the needed technical expertise in the area of fracture mechanics required to ensure the materials sections of the application were reviewed in a thorough manner to ensure public safety. Mr. Kirk was consistently supportive of this review, and timely in his input.

Rebecca Karas was the Project Engineer for this licensing action. If you desire any further information, please contact her at 301-415-3711.
