Dear FOIA Officer:

This is a Freedom of Information Act Request.

On behalf of the Blue Ridge Environmental Defense League, I am requesting the following document:

Foreign Trip Report--and all attachments to the report--from Mr. Andrew Persinko of the Nuclear Regulatory Commission filed for his trip to Russia on January 27, 2001 to February 1, 2001 to attend a monthly technical meeting with Gosatomnadzor (GAN) to "review progress on licensing and regulatory tasks in the Russian Federation Plutonium Disposition Program Licensing Support Project, and for quadrilateral meetings at the Marriot Grand Hotel of French, German, Russian, and American specialists to discuss licensing issues pertaining to joint efforts in plutonium disposition." (Document G:\Russia\PersinkoCbl.wpd, sent to ADAMS, G Fowler, R Hauber, JD Lee, and EL Doroshuk.)

There should be no fees for this request, as there is only one document (with any attachments) being requested, the document should be quite small, and the NRC's Office of International Programs should be able to easily locate this report.

Sincerely,
Don Moniak
