On behalf of the Senate Energy and Natural Resources Committee and the Subcommittee on Energy and Water Development of the Senate Committee on Appropriations, we would like to invite you to testify at a joint hearing to conduct oversight on the state of the nuclear power industry and the future of the industry in a comprehensive energy strategy.

The hearing will take place on Thursday, May 3, 2001 at 10:00 a.m. in room SD-366 of the Dirksen Senate Office Building in Washington, DC.
