17 DECLARATION OF CHARLES M. MARRE IN SUPPORT OF  
MOTION FOR AUTHORITY TO PAY PRE-PETITION PROPERTY TAXES

18 I, Charles M. Marre, declare as follows:

19 1. I am the Director of Capital Accounting of Pacific Gas and Electric Company  
20 ("Debtor" or "PG&E"), a position I have held since June, 2000. I make this Declaration in  
21 support of the Debtor's Motion for Authority to Pay Pre-Petition Property Taxes, filed herein.  
22 This Declaration is based on my personal knowledge of PG&E's operations and certain  
23 transactions involving taxes. If called as a witness, I could and would testify competently to  
24 the facts stated herein.

25 2. PG&E owns real and personal property in 49 counties in California (each, a  
26 "County," and collectively, the "Counties"). Each year, the California State Board of  
27 Equalization determines the aggregate value of all real and personal property owned by  
28 PG&E in the state and allocates that value among each of the Counties. The Counties

1 accordingly bill PG&E for taxes based on their allocated value. To the extent the taxes are  
2 unpaid, each County obtains a statutory first priority lien against the real property of PG&E  
3 located in such County.

4 3. The taxes owed to the Counties are paid in two installments, the first of which  
5 is due on December 10, and the second of which is due on April 10 of each year.

6 4. Following the filing of its Chapter 11 petition, PG&E divided the installment  
7 due on April 10, 2001 into two portions—one based on the period from January 1 through  
8 April 5 (the “Pre-Petition Taxes”), and the other based on the period from April 6 through  
9 June 30, 2001 (the “Post-Petition Taxes”). PG&E paid the Post-Petition Taxes but has not  
10 paid the Pre-Petition Taxes. Exhibit A hereto contains a true and correct list of the amounts  
11 paid to the Counties, per County, and the amounts still owed on account of Pre-Petition  
12 Taxes. As shown on Exhibit A, the amounts of Pre-Petition Taxes owed to the Counties  
13 range from a low of \$14,690 to a high of \$7,329,994, and total \$41,224,488, in the aggregate,  
14 exclusive of any penalties assessed for late payment.

15 5. Exhibit A hereto also contains a true and correct list of the assessed value of  
16 the property in each County. As set forth therein, the real properties subject to the Pre-  
17 Petition Taxes have an assessed value in excess of the amount of the Pre-Petition Taxes  
18 attributable to such properties.

19 6. Based on my discussions with members of PG&E’s public affairs department,  
20 who have had direct contact with County officials, and notifications received by PG&E from  
21 tax assessors and other officials of various Counties, I am informed and believe and  
22 thereupon allege that the failure to pay such claims may cause undue hardship on many of the  
23 Counties. Many of the Counties depend on the property taxes paid by PG&E to finance the  
24 delivery of essential goods and services to its residents. The Counties’ budgets assume the  
25 timely receipt of the Pre-Petition Taxes.
