

May 4, 2001

Mr. John K. Wood  
Vice President - Nuclear  
FirstEnergy Nuclear Operating Company  
P. O. Box 97, A200  
Perry, OH 44081

SUBJECT: REQUEST TO WITHHOLD DYNAMIC SIMULATOR SCENARIOS FROM  
PUBLIC DISCLOSURE

Dear Mr. Wood:

By letter dated March 22, 2001, you requested in accordance with 10 CFR 2.790(a)(4) that the NRC withhold from public disclosure dynamic scenarios 1b, 2b and 3 which were submitted on November 20, 2000. We have reviewed your request and concluded that these scenarios were not used to evaluate the quality of the initial examination material or used in the January 2001 examination at the Perry Nuclear Power Plant. Therefore, we have no regulatory need to maintain these documents. In a telephone conversation on May 1, 2001, between A. M. Stone and D. Johnson, we agreed to destroy all documentation associated with scenarios 1b, 2b, and 3.

If you have any questions regarding this matter, please contact me at 630-829-9733.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

Sincerely,

*/RA/*

David E. Hills, Chief  
Operations Branch  
Division of Reactor Safety
