Subject: living near nuclear plant

Dear [REDACTED] Thanks for your e-mail. The NRC receives many inquiries every year from concerned citizens such as yourself who are considering living near a nuclear power plant. the short answer to your question is that the Shearon Harris plant is being operated safely. But I generally encourage people who have concerns to call me and discuss them. I can be reached weekdays between 7:30 a.m. and 4:15 p.m. You can call me toll-free at 1-800-368-5642. Or you can call Kenneth Clark or Roger Hannah, our public affairs officers in Atlanta, Ga. they can be reached at 1-800-577-8510. Any of would be happy to speak with you. You might also try looking at the NRC website: (www.nrc.gov) where we have posted an exhaustive amount of information on all issues regarding nuclear power plants.
