Dear Mr. Collins,

Last Friday, May 26, 2000 I received your letter dated April 27, 2000. The letter was in response to my letter to Mr. Ronald Hauber, NRC Office of International Programs dated January 24, 2000.

DBI Operating Company, on behalf of DBI's nine hundred (900) shareholders, has made necessary adjustments in our program to meet the segments of the NRC's regulations cited in your letter. After the adjustments to the project are completed I will be contacting the office of Mr. Jerry Wilson as you indicated and subsequently, if it is mandatory, the office of Mr. Ronald Hauber.

Most sincerely,

H.A. Dauvergne
On behalf of the Operating Company
