SUBJECT: LICENSING PRACTICES AND PROCEDURES TRAINING FOR DENNIS
KLACZYNSKI

Dear Mr. Ferruolo:

This is to confirm my previous conversations with you and Marie Stoeckel to provide Dennis Klaczynski of your staff instruction in licensing practices and procedures at the NRC's Region I offices in King of Prussia, PA during the week of June 18, 2001.

A number of senior licensing reviewers will be available during this week to work with Dennis on a variety of radioactive material licensing actions in the areas of medical, industrial, and research and development. Please have Dennis report to the Region I office on Monday, June 18 at 8:00 am. This will require him to travel to the King of Prussia area on Sunday, June 17. A return flight the afternoon of Friday, June 22 should be planned.

If you have any questions regarding this matter, please feel free to contact me at 610-337-5042 or by e-mail at adw@nrc.gov.

Sincerely,
