

Mr. James H. Riley
Nuclear Energy Institute
1776 I Street NW, Suite 400
Washington, DC 20006-3708

SUBJECT: APPRECIATION FOR STEAM GENERATOR WORKSHOP PRESENTATION

Dear Mr. Riley,

On behalf of the steam generator technical review staff and managers in the Office of Nuclear Reactor Regulation, I want to thank you for your presentation and participation in the NRC Steam Generator Workshop held on February 27 - 28, 2001 in Bethesda, Maryland. We are grateful for your presentations and for providing insightful answers to the audience's questions during the panel discussions. We were pleased with the attendance, which included a little over 100 people from industry, government, public, and NRC staff. The feedback that we have received so far has been very positive.

Sincerely,

Jack R. Strosnider, Director
Division of Engineering
Office of Nuclear Reactor Regulation
