Gentlemen:

In Supplement Number 1, dated 11/14/78, of the recently distributed changes to the USNRC Rules and Regulations, a change was noted in Part 20, Appendix D, specifically the phone number and office title for your office.

Has the NRC Form #3 been revised to reflect these changes? Please send 100 copies, if available, for distribution within the University and to maintain a small supply for future needs.

If the revision is not yet available, please advise when we might expect to receive our order. Thank you.

Very truly yours,

Linda K. Tompkins
Administrative Assistant
