RE: CALIBRATION

Dear GENE BONANO:

Our records indicate that the following instruments are due for calibration:

INSTRUMENT	MODEL NUMBER	SERIAL NUMBER	CALIBRATION DUE
ALNOR	9850	5141	06/01/01

Please ship the instruments and a purchase order to authorize calibration charges. If repair or other work is needed, we will contact you before proceeding.

Instruments can be shipped to RSSI via UPS or other insured common carrier. Return shipping charges and insurance for up to \$500 declared value are \$6.00 per instrument. If you value an instrument at greater than \$500, please inform us of the amount of additional insurance to be added at UPS's rates, currently \$0.35/\$100.00 insured value over \$500, and add that amount for the correct insurance value to your purchase order.

Should you have any questions or require additional information, please call me at 847-965-1999.

Sincerely,

Rebecca Port
