May 24, 2001

Law Engineering and Environmental Services, Inc.
ATTN: David S. Ross
Construction Material Testing Manager
1540 North 107th East Avenue
Tulsa, Oklahoma 74116

SUBJECT: NRC FORM 241

Mr. Ross:

This acknowledges receipt of NRC Form 241 dated May 21, 2001, and the \$1200 application fee, submitted to the NRC Region IV office to report proposed activities in NRC jurisdiction under the authority of the general license pursuant to 10 CFR 150.20. Revisions, as defined below, to the information submitted on the current NRC Form 241 will require a \$200 fee. Revisions to the initial NRC Form 241 will occur whenever you propose to add locations of work, to use different radioactive material, or to perform additional work activities in NRC jurisdiction.

Clarification and deletion of specific locations or work sites, work site contacts, or dates of work are not considered revisions and, therefore, will not require the \$200 fee. Changes in the equipment to be used will not require the \$200 fee if there is no change in the activity to be conducted or the radioactive material to be used.

Your Agreement State license is recognized as valid for the proposed use of licensed material at the locations listed on your Form 241, and attachments, if any.

The calendar year 2001 RTS Reference number for your proposed location of work is:

RTS Reference Number	Proposed Location of Work
000917	Tulsa District Corp of Engineers 1645 S. 101 st East Avenue Tulsa, Oklahoma 74128 McAlester Army Ammunition Plant McAlester, Oklahoma 74501

Please refer to this RTS Reference number in any future communication.

Please be aware that working under reciprocity in NRC jurisdiction requires you to comply with NRC regulations, as described in 10 CFR 150.20.

Information submitted on Form 241 must be specific regarding the location and dates of use. Since your reciprocity request is for various locations over an extended period of time, you are required to notify this office three days prior to each of the proposed generally licensed activities. However, given the nature of your licensed activities, the time requirement specified in 10 CFR 150.20(b)(1) for the filing of NRC Form 241 and any subsequent notifications **has been waived**, provided that you:

- A. Inform this office by telephone or facsimile of activities or revisions to the information submitted on the initial NRC Form 241, and
- B. Receive oral or written authorization for the activity(ies) from this office, and
- C. Submit written confirmation and the check for the fee payment, if applicable, **within 3 days** after the notification.

Please find enclosed an NRC signature copy of your NRC Form 241. We appreciate your cooperation. If you have questions concerning this letter or other aspects of working in NRC jurisdiction under reciprocity, please contact me at 817-860-8103.

Sincerely,
/RA/
Colleen Murnahan, Licensing Assistant
