Charlie,

It looks like the Mexican emergency exercise has been delayed until summer 2000.

FYI, I intend to use the emergency contact info to update the International Liaison Desk "list of contacts."

DEAR DONNA-MARIE,

IT IS NICE TO HEAR FROM YOU AGAIN, HOW DID IT GO IN VIENNA AND BERLIN?. AS YOU ARE AWARE, SOME RECENT FLOODINGS IN THE COUNTRY HAD A HARMFUL EFFECT ON VARIOUS STATES. THIS WAS PARTICULARLY TRUE IN THE STATE OF VERACRUZ WHERE THE LAGUNA VERDE NUCLEAR POWER PLANT IS LOCATED. ALTHOUGH THE PLANT ITSELF DID NOT EXPERIENCE ANY DAMAGES, SOME OF THE ROUTES FOR EVACUATION DURING EMERGENCIES WERE SHATTERED, THEREFORE CURRENTLY MAYOR EFFORTS ARE BEING ADDRESSED TO REPAIR SUCH ROUTES. AS A RESULT OF ALL THIS, THE EMERGENCY EXERCISE WE REFER TO IN OUR VISIT TO WASHINGTON HAD TO BE DELAYED FOR NEXT YEAR IN JUNE OR JULY. AS SOON AS I KNOW THE PRECISE DATE FOR THE EXERCISE I WILL LET YOU KNOW IT. OF COURSE, WE ARE STILL INTERESTED IN NRC'S STAFF TO TAKE PART IN SUCH EMERGENCY DRILL.

REGARDING WHO THE NRC SHOULD CONTACT IN CASE OF AN EMERGENCY EXERCISE OR A REAL ACCIDENT, HERE IT IS THE FULL INFORMATION:

NAME: VICTOR MANUEL GONZALEZ MERCADO
POSITION: MANAGER FOR NUCLEAR SAFETY
PHONE AND FAX (OFFICE): (52-5) 590-7508
