SUBJECT: MAINTENANCE OF REFERENCE MATERIAL FOR NORTH ANNA LICENSE  
RENEWAL APPLICATION AT THE ALDERMAN LIBRARY

Dear Mr. Newsome:

During a telephone call on May 21, 2001, you agreed to maintain reference material related to Dominion Generation's (Dominion, formerly Virginia Power) planned application for renewal of the operating licenses for the North Anna Power Station, Units 1 and 2, for an additional 20 years. The application is expected around the end of this month. After the NRC receives the application, electronic versions of the documents will also be available at the NRC's Public Document Room and in the Public Electronic Reading Room, accessible through the NRC Home Page (<http://www.nrc.gov>).

We appreciate your willingness to assist the public in participating in the license renewal process. We will place the Alderman Library on our distribution list for documents and notices related to the Dominion application for North Anna.

Thank you again for your cooperation. If you have any questions, you can reach me at (301) 415-2828.

Sincerely,
