24 Western Oilfield Supply Company dba Rain for Rent ("Rain for Rent") hereby moves
25 this Court for an order compelling PACIFIC GAS AND ELECTRIC COMPANY ("Debtor") to
26 assume or reject the following equipment lease entered into by and between Rain for Rent and
27 Debtor (the "Equipment Lease") as follows:

28 1. Debtor entered into an Equipment Lease dated February 25, 1998, with Rain for
Rent. A true and correct copy of which is attached as Exhibit "A" to the Declaration of Tim

1 Bastian appended hereto and incorporated herein by reference.

2 2. Debtor ceased making regular payments to Rain for Rent on about.

3 3. Debtor filed for protection under Chapter 11 on April 6, 2001.

4 4. Debtor continues to operate its business as a Debtor in possession and retains the
5 equipment leased to Debtor by Rain for Rent.

6 5. As part of the ongoing Equipment Lease, in January of 2001, Rain for Rent
7 subcontracted various pumps, pipes, tanks, and fittings to Debtor for use by Debtor on the job
8 site at Dixon Landing Road in Milpitas, California (the "Milpitas Job"). The job site is owned
9 by California Gas Transmission who contracted directly with Debtor to perform work on the job
10 site.

11 6. As the subcontractor, Rain for Rent has already filed its California 20-Day
12 Preliminary Notice. A true and correct copy of which is attached as Exhibit "B" to the
13 Declaration of Tim Bastian appended hereto and incorporated herein by reference.

14 7. The pre-petition arrearage due to Rain for Rent under the leases as part of the
15 payment on the Milpitas Job is \$102,503.49. True and correct copies of those invoices are
16 marked as Exhibit "C" and attached to the Declaration of Tim Bastian appended hereto and
17 incorporated herein by reference.

18 8. Pursuant to 11 U.S.C. Section 365 (d)(10), the Debtor is required to perform all
19 obligations under an unexpired lease of personal property commencing sixty days from the order
20 for relief in a case under Chapter 11 until such lease is assumed or rejected.

21 9. As Debtor has not met its obligations to Rain for Rent, the Court should compel
22 Debtor to either assume the Equipment Lease with Rain for Rent and cure all arrearage due to
23 Rain for Rent under the Equipment Lease, or alternatively, reject the Equipment Lease and
24 allow Rain for Rent relief from the automatic stay to retrieve its equipment and to seek payment
25 from the job through foreclosing on a mechanic's lien or a stop notice.

26 10. Furthermore, Rain for Rent is entitled to an administrative expense, if any, for the
27 value of Debtor's use of the equipment from the bankruptcy filing date to the date of rejection
28 pursuant to 11 U.S.C. Section 503(b)(1), because Debtor's use of the equipment conferred a

1 benefit to the estate necessary for its preservation in that Debtor has received or will receive
2 income from the owner of the job site for the use of Rain for Rent's equipment.

3 **WHEREFORE**, Rain for Rent requests that the Court enter an order as follows:

4 1. Compelling Debtor to assume the Equipment Lease within ten (10) days
5 following the entry of an order approving this Motion;

6 2. In the alternative, if Debtor rejects the lease that Rain for Rent is immediately
7 granted relief from the automatic stay to proceed forward on a mechanic's lien or stop notice;
8 and,

9 3. For such other and further relief as is just, fair and appropriate.

1. This Master Rental Agreement sets out the general terms and conditions upon which Rentor may agree to rent certain equipment to Rentee from time to time. Each item of equipment is hereafter referred to as a "Unit" and collectively as the "Equipment". Upon or prior to Rentor agreeing to rent a particular Unit to Rentee, Rentor and Rentee shall sign a delivery document ("Delivery Document") setting out the particular terms referable to the renting of such Unit (eg equipment type, etc.) and the general condition of such Unit. Promptly thereafter (and for as long as such Unit is rented to Rentee hereunder) Rentor shall send invoices (each an "Invoice") to Rentee setting out the amounts of (and the dates on which) rental payments ("Rent") is payable in respect of such Unit. Each Delivery Document and each Invoice shall be in such form as Rentor may notify to Rentee from time to time. This Master Rental Agreement, each Invoice and any written consent given by Rentor to Rentee as contemplated by §5(a) shall constitute one agreement between Rentor and Rentee and are together referred to as this "Agreement".

2. Rentor agrees to rent to Rentee and Rentee agrees to take on rent from Rentor each Unit referred to in a Delivery Document for the Term referable thereto.

3. Rentee shall pay Rent for each Unit in the amount specified in any applicable Invoice within 30 days of the date of such Invoice together with all additional charges (if any) which are referred to in such Invoice. If any such amount is not paid when due, Rentee shall also pay to Rentor interest on such amount at a rate equal to 1.5% per month or such lesser rate as shall be the highest rate permitted by applicable law. Interest shall accrue from the due date until the past due Rent or other amount, together with interest, is paid to Rentor. All payments hereunder shall be made (a) without deduction, set-off, counterclaim, recoupment, defense, notice or demand whatsoever and (b) in accordance with the instructions set out in the relevant invoices.

4. Each Unit will be delivered to Rentee at the location set forth in the relevant Delivery Document and Rentee's execution of a Delivery Document shall be conclusive evidence that the relevant Unit has been delivered to Rentee. At the option and cost of Rentee, Rentor may (but shall not be obliged to) provide (a) delivery and return freight services and/or (b) installation services. Any such services shall be carried out during the Term of the relevant Units.

5. (a) UNDER NO CIRCUMSTANCES SHALL RENTEE PERMIT ANY UNIT TO BE USED FOR THE STORAGE, SHIPMENT OR CARRIAGE OF ULTRA HAZARDOUS WASTE. FURTHERMORE RENTEE SHALL NOT PERMIT ANY UNIT TO BE USED FOR THE STORAGE, SHIPMENT OR CARRIAGE OF ACUTE HAZARDOUS WASTE WITHOUT RENTOR'S PRIOR WRITTEN CONSENT.

(b) Rentee shall, whenever requested, advise Rentor of the exact location and condition of the Equipment. Rentor may, at any time, inspect the condition of the Equipment and for such purpose, at all reasonable times and with reasonable notice to Rentee, may enter upon any job, storage, site, yard, or place where the Equipment is located.

(c) Rentee acknowledges that Units may have contained Acute Hazardous Waste in the past. Rentee may at its sole option and expense test a Unit prior to taking delivery of it from Rentor. In the event that Acute Hazardous Waste is detected in a Unit prior to Rentee taking delivery thereof, Rentee shall have the option to terminate the renting of such Unit. IN THE EVENT THAT RENTEE ELECTS NOT TO (I) TERMINATE THE RENTING OF ANY SUCH UNIT OR (II) TEST ANY UNIT, RENTEE SHALL THEREBY WAIVE ANY RIGHT TO OBJECT TO THE PRESENCE OF ACUTE HAZARDOUS WASTE IN SUCH UNIT OR MAKE ANY CLAIM AGAINST RENTOR IN RESPECT THEREOF.

6. Rentee shall (i) be responsible for all repairs and maintenance appropriate to maintain the Equipment in good and efficient working order, condition and repair (normal wear and tear from permitted uses hereunder excepted) and (ii) maintain and use the Equipment in a careful and proper manner and in accordance with industry standards, manufacturer's specifications and recommendations and applicable laws. Rentee shall not allow any Unit to come into contact with any substance that will cause the corrosion, dissolution or disintegration of or other damage to or leakage from such Unit. If Rentor, in its discretion, shall effect any repair on behalf of Rentee, Rentee will pay the cost thereof to Rentor based on Rentor's current retail prices for such repair.

7. Rentee shall (i) effect an oil change every 150 hours and a filter change every 300 hours on all pumps and (ii) properly maintain and replace all safety equipment and belts. Rentee shall be solely responsible for any damage resulting from tampering with any safety equipment, including but not limited to, guards, shrouds, railings, oil pressure, water temperature, pump discharge components. (iii) If Rent for any Unit is based on the reading of an hour meter and the relevant meter shall have stopped during the Term, such Unit shall be deemed to have been used for 24 hours during each day when such meter remains unrepaired.

8. (a) During the Term for any Unit, Rentee assumes and bears the risk of loss and damage to such Unit and all attachments, additions and components thereof, regardless of how caused and whether or not insured. No loss or damage to any Unit shall relieve Rentee from any of its obligations under this Agreement, all of which shall remain in full force and effect except as otherwise provided in this Section.

(b) Upon the occurrence of an Event of Loss with respect to a Unit, Rentee shall notify Rentor promptly (and in any event within 48 hours after Rentee's knowledge of such occurrence) of the date such Event of Loss occurred and on the Loss Notification Date, Rentee shall pay to Rentor (i) an amount determined by Rentor to be the fair market value of such Unit, (ii) the Rent due up to the Loss Notification Date and (iii) all other amounts which may be due to Rentor hereunder with respect to such Unit. (c) If Rentor shall so elect, Rentee shall be solely responsible for the disposal of any Unit which has suffered an Event of Loss provided always that Rentee shall not dispose of any such Unit unless and until it has paid the amounts required pursuant to §8(b) in consequence of such Event of Loss.

9. (a) Rentee will, at all times while this Agreement is in effect and at its own expense, cause to be carried and maintained in full force and effect in such amounts and with such terms (including coinsurance, deductibles, limits of liability and loss payment provisions) as are customary under Rentee's risk management programs and in keeping with risks assumed by corporations of established size and reputation: (i) Commercial General Liability Insurance and Business Automobile Liability Insurance including an MCS-90 endorsement in a minimum amount of \$5,000,000 per occurrence with respect to loss or damage for personal injury, death or property damage suffered upon, in or about any premises occupied by it or occurring as a result of the ownership, renting, subrenting, maintenance or operations by it of any Unit or any automobile, truck or other vehicle or services rendered by Rentee, (ii) "all risk" property insurance for each Unit in an amount at least equal to the fair market value of such Unit and (iii) (if commercially available) sudden and accidental pollution coverage.

(b) All policies of insurance shall: (i) be issued with insurance carriers having a credit rating acceptable to Rentor and in a form reasonably acceptable to Rentor, (ii) name Rentor as an additional insured or loss payee, or both, as appropriate, (iii) provide for at least 30 days prior written notice by the insurance carrier to Rentor in the event of cancellation, expiration or material modification of the insurance and (iv) be primary and without contribution from any insurance effected by Rentor. The liability policy shall contain a cross-liability provision. Rentee shall, if Rentor shall request, furnish Rentor with appropriate written evidence of the insurance required hereunder.

10. Rentee shall not (a) directly or indirectly create, incur or suffer to exist any mortgage, pledge, encumbrance, charge, security interest or other claim (each a "Lien") on any Unit other than (i) the Lien constituted by this Agreement and (ii) any other Lien created by Rentor (together "Rentor's Liens") or (ii) after or make any attachments to the Equipment.

11. (a) At the expiration of the Term for any Unit, Rentee shall return such Unit to Rentor at the Return Location for such Unit. At the time a Unit is delivered to its Return Location, Rentor and Rentee shall sign a receipt (an "Equipment Receipt") setting forth the general condition of the Unit. At the time of return of each Unit, such Unit shall be (i) in the same condition as such Unit was in at the time it was delivered to Rentee hereunder (normal wear from permitted uses hereunder excepted) and fully serviceable and in good and efficient operating condition, (ii) free from all placards, markings and insignias placed on such Unit during the Term thereof and (iii) cleaned of all commodities (and accumulations and deposits caused by commodities) so that there is no measurable amount of such commodities, accumulations and/or deposits remaining in such Unit (hereinafter referred to as "Cleaned of Commodities").

(b) Rentor shall have the right to have any Unit tested by a reputable independent testing laboratory for the presence of Acute Hazardous Waste and/or other environmental contaminants. Such will be at Rentor's expense unless the test reveals the presence of Acute Hazardous Waste or other environmental contaminants, in which case it shall be at Rentee's expense.

(c) At the end of the relevant Term, Rentor shall sign an Equipment Receipt for a Unit if (i) such Unit is redelivered to its Return Location on the relevant Return Date in the condition required hereunder and (ii) all repairs which are required are complete and have been paid for in full, failing which, at Rentor's election, Rentor may either (1) effect or procure the relevant cleaning or (2) require that Rentee remove such Unit from its Return Location.

EXHIBIT A
PAGE 1 of 2

(d) At the end of the relevant Term, Rentee shall accumulate and stack all relevant Units at the Return Location.

12. RENTOR IS RENTING THE EQUIPMENT TO RENTEE "AS IS" AND "WHERE IS" AND HAS NOT AND SHALL NOT BE DEEMED TO HAVE MADE, AND SPECIFICALLY DISCLAIMS, ANY WARRANTY OR REPRESENTATION (EXPRESS OR IMPLIED) AS TO (I) THE FITNESS OF THE EQUIPMENT FOR ANY PARTICULAR PURPOSE, (II) THE ABSENCE OF ANY BASIS FOR PATENT OR COPYRIGHT INFRINGEMENT WITH RESPECT TO THE EQUIPMENT OR (III) THE QUALITY, DESIGN, CONDITION, CAPACITY, SUITABILITY, MERCHANTABILITY OR PERFORMANCE OF THE EQUIPMENT OR OF THE MATERIAL OR WORKMANSHIP THEREOF, IT BEING AGREED THAT THE EQUIPMENT IS RENTED "AS IS" AND THAT ALL SUCH RISKS, AS BETWEEN RENTOR AND RENTEE, ARE TO BE BORNE BY RENTEE AT ITS SOLE RISK AND EXPENSE. RENTEE HEREBY WAIVES ALL OF THE RIGHTS AND REMEDIES CONTAINED IN UNIFORM COMMERCIAL CODE §§2A-508 TO 522.

13. (a) Rentee shall hold harmless and indemnify Rentor, its successors, assigns, parents, subsidiaries and affiliates, and their respective representatives, directors, officers, employees and agents from and against any and all losses, fees, costs, expenses, claims, liabilities, damages, penalties and fines relating to or arising out of or in connection with (i) Rentee's failure to comply with the requirements of §11(c), (ii) the occurrence of any event referred to in §14, (iii) the use, possession, renting, leasing, subleasing, operation, transportation, maintenance, condition, repair, replacement, return and/or storage of any Unit (collectively "Use") during any Term relevant thereto, (iv) any pollution, contamination, environmental impairment and/or similar condition directly or indirectly caused by or resulting in whole or in part from any Use of any Unit or (v) any environmental statutory or regulatory compliance requirements applicable to any Unit (or any Use thereof) and required under any and all foreign or domestic federal, state or local laws, treaties, ordinances, regulations, codes, rules, orders, guidelines, policies or requirements of any governmental authorities which regulate or impose standards of liability or conduct concerning air, water, soils, wetlands and watercourses, solid waste, hazardous waste and/or materials, worker and community right-to-know, noise, resource protection, health protection and similar environmental, health, safety, and land use concerns as may now or at any time hereafter be in effect. This indemnification shall survive the term of this Agreement.

(b) Rentee shall pay, cause to be paid or reimburse Rentor for all taxes and fees levied or assessed against Rentor, Rentee or the Equipment in connection with this Agreement or the amounts due hereunder or arising out of the Use of any Unit hereunder; provided however that Rentee shall not be responsible for (i) any tax on Rentor's net income or (ii) taxes and fees in respect of any Unit if and to the extent such relate to any period during which such Unit is not rented to Rentee hereunder.

14. The occurrence of any of the following events shall be an "Event of Default": (a) Rentee fails to pay any Rent when due and such failure continues for a period of five days; or (b) Rentee fails to maintain the insurance required by §9; or (c) Rentee fails to comply with the provisions governing use of the Equipment set forth in §6; or (d) Rentee shall fail to perform or observe any covenant, condition, or agreement to be performed or observed by it hereunder (other than as specified in §§14(a), (b) and (c)) and such failure continues uncured for 5 days after written notice thereof to Rentee by Rentor; or (e) the filing by or against Rentee (i) for any relief which includes, or might result in, any modification of the obligations of Rentee hereunder or (ii) under any bankruptcy, reorganization, receivership, insolvency, moratorium or other laws relating to the relief of debtors, the readjustment of indebtedness, financial reorganization, arrangements with creditors, compositions or extensions of indebtedness (provided always that in the case of any such filing made against Rentee, such filing shall only constitute an Event of Default under this §14(e) if all petitions and proceedings arising out of such filing have not been dismissed within 60 days of the date of such filing); or (f) the (i) insolvency of Rentee or (ii) subjection of any material portion of Rentee's property to any levy, seizure, assignment, application sale for or by any creditor or governmental agency the effect of which would be to impair Rentee's ability to perform its obligations hereunder; or (g) obligations of Rentee in the aggregate in excess of \$250,000 for payments of obligations to third party creditors have been accelerated prior to their original stated maturity; or (h) an event of default (as defined in any other agreement between Rentee and Rentor or any of their respective affiliates) has occurred under such other agreement.

15. (a) Upon the occurrence of an Event of Default, Rentor, at its option and in addition to its remedies at law, may do any one or more of the following: (i) terminate this Agreement and recover damages pursuant to the terms hereof and under applicable law; (ii) proceed by any lawful means to enforce performance by Rentee of any and all of Rentee's covenants under this Agreement and recover damages for the breach thereof and/or (iii) by notice (a "Termination Notice") to Rentee terminate Rentee's right to possession and use of some or all of the Equipment and thereafter the rental of such Equipment shall terminate and Rentee shall deliver possession of such Equipment to Rentor in the condition required by §11 and at a location specified by Rentor.

(b) If Rentee fails to so return of the relevant Equipment on the date specified in any Termination Notice, Rentor shall have the right to enter into any premises where such Equipment is located and retake possession of such Equipment. Rentee shall hold Rentor harmless from any liability for any damage caused during any such removal. Rentor shall use reasonable care when reclaiming any Equipment.

(c) Without further demand, Rentee shall pay to Rentor, within five days of the date of any Termination Notice and in respect of each Unit covered by such Termination Notice an amount equal to the sum of any unpaid Rent for such Unit for all periods up to and including the date such Unit is returned to Rentor.

(d) Each and every power and remedy given to Rentor hereunder shall be in addition to every other power and remedy existing at law or in equity. All such powers and remedies shall be cumulative and the exercise of one shall not be deemed a waiver of the right to exercise any others.

16. This Agreement shall not be assignable by Rentee. Furthermore Rentee will not at any time subrent or sublease or otherwise transfer possession of any Unit to any person other than Rentor.

17. All notices relating hereto shall be deemed given when sent by telecopy, with reasonable confirmation of receipt, or sent by reputable overnight delivery courier, to Rentor or Rentee at its respective address set forth on the first page of this Agreement or at such other address as may from time to time be designated in writing by the party to which notice is to be given.

18. (a) This Agreement shall be governed by and construed in accordance with the laws of the State of California. If any part hereof is contrary to, prohibited by or deemed invalid under applicable laws or regulations of any jurisdiction, such provision shall be inapplicable and deemed omitted but shall not invalidate the remaining provisions hereof. a) Rentee shall execute and deliver to Rentor, upon Rentor's request, such instruments and assurances as Rentor deems necessary or advisable for the confirmation or perfection of this Agreement and Rentor's rights hereunder. In addition, Rentee agrees to provide Rentor with all information necessary for Rentor to prepare and file all required tax returns and reports concerning the Equipment with all appropriate governmental agencies. (b) Rentor's failure at any time to require strict performance by Rentee of any of the provisions hereof shall not waive or diminish Rentor's right thereafter to demand strict compliance therewith or with any other provision. Waiver of any default shall not waive any other default. (c) This Agreement (i) represents the entire agreement of the parties with respect to the Equipment and (ii) may be executed in any number of counterparts; and such counterparts together shall constitute but one and the same contract. The terms of this Agreement shall not be waived, modified, altered, or amended, except in writing signed by the party to be charged. The liabilities and obligations of Rentee arising under this Agreement shall survive the return of any Unit and/or termination of this Agreement for any reason. (d) Note: (i) §9(a)(i) applies only to the renting of tanks and containers, (ii) §11(d) applies only to the renting of pipe and (iii) §7(i) & (iii) applies only to the renting of Units with moving parts. Save as expressly provided to the contrary in an Invoice, Rentee shall have no right or option to buy any Unit. Furthermore Rent payments hereunder are for the use of Equipment and Rentee will not acquire any interest or equity in any Unit as a result of making any such payment. Each Unit shall remain personal property and shall not be considered a fixture to any real property where such Unit is located from time to time.

19. In this Agreement, the following terms shall have the respective meanings given to them: (a) "Acute Hazardous Waste" means any and all hazardous waste, materials and substances (including, without limitation, polychlorinated biphenol, contaminants (PCBs), pentachlorophenols and normally occurring radioactive materials (norm) but excluding Ultra Hazardous Waste; (b) "Delivery Date" means, in respect of the renting of any Unit to Rentee as evidenced by a particular Delivery Document, the date specified in such Delivery Document as being the "Delivery Date" referable thereto; (c) "Event of Loss" means, with respect to any Unit, (i) the loss, theft of, or destruction of such Unit, (ii) the requisition or other taking of title to such Unit by a governmental authority or (iii) Rentor's reasonable determination that any damage to a Unit is irreparable and/or that such Unit is unable to be Cleaned of Commodities; (d) "Loss Notification Date" means in relation to an Event of Loss with respect to a Unit of a type referred to in (i) paragraphs (i) or (ii) of the definition of "Event of Loss", the date on which Rentee notifies Rentor of such Event of Loss and (ii) paragraph (iii) in such definition, the date on which Rentor notifies Rentee of such Event of Loss; (e) "Return Date" means, in respect of the renting of any Unit to Rentee as evidenced by a particular Delivery Document (i) any date notified by Rentor to Rentee in an applicable Invoice as being the day upon which Rentee is required to return such Unit to Rentor or (ii) otherwise any day on which Rentee is entitled to and returns such Unit to Rentor in compliance with the requirements of this Agreement; (f) "Return Location" means, in respect of the return of any Unit to Rentor at the end of a Term (i) the location referred to in the relevant Delivery Document or an applicable Invoice as being the place where Rentee is obliged to redeliver such Unit to Rentor or (ii) if no such location is so provided for, any business location of Rentor where Rentor ordinarily stores equipment similar to the Unit; (g) "Term" means, with respect to the renting of any Unit by Rentee hereunder (as evidenced by a particular Delivery Document), the period commencing with the Delivery Date for such Unit and continuing until the Return Date for such Unit; and (h) "Ultra Hazardous Waste" means any (i) radioactive, corrosive, explosive or biological waste and materials (but excluding normally occurring radioactive materials (norm)) and/or (ii) hazardous, toxic or dangerous waste, material or other substance, whether solid, liquid or gas, as defined in the Resource Conservation and Recovery Act of 1976 (as amended from time to time) and any successor legislation thereto or regulations promulgated pursuant thereto.
