Dear Mr. Cwietniewicz:

On February 7, 1990, the NRC administered a Generic Fundamentals Examination Section (GFES) of the written operator licensing examination to employees of your facility. Enclosed with this letter are copies of both forms of the examination including answer keys, the grading results for your facility and copies of the individual answer sheets for each of the examinees taking the examination from your facility. Please forward the results to the examinees along with the copies of their answer sheets. A "P" in the column labeled RESULTS indicates a passing grade for this examination. Passing Grade for the GFES is 80%.

In accordance with 10 CFR 2.790 of the Commission's Regulations, a copy of this letter and enclosures (1) and (2) will be placed in the Public Document Room.
