1. Westinghouse Letter LTR-NRC-01-11 dated May11, 2001

Dear Mr. Cushing:

Provided with this letter are three copies each of proprietary and non-proprietary versions of the proprietary attachment, "Westinghouse Nuclear Automation Strategy for the Closeout of the Common Qualified Platform Category 1 Open Items." These attachments were previously provided to the NRC with Reference 1. Subsequently, it was determined that some of the information identified as proprietary in Reference 1 had been previously released in public documents. The NRC staff is requested to destroy the information transmitted by Reference 1 and to replace it with the attachments to this letter.

Accordingly, the following documents are enclosed:

1. One copy of the Application for Withholding, AW-01-1459 with Proprietary Information Notice and Copyright Notice.
2. One copy of Affidavit, AW-01-1459.

*Add: John Cushing

The referenced attachment contains Westinghouse proprietary information consisting of trade secrets, commercial information, and product development strategies which we consider privileged or confidential pursuant to 10 CFR 2.790. Therefore, it is requested that the Westinghouse proprietary information attached thereto be handled on a confidential basis and be withheld from public disclosures. The proprietary material in the referenced submittals is for your internal use only and may be used for the purpose for which it is submitted. It should not be otherwise used, disclosed, duplicated, or disseminated, in whole or in part, to any other person or organization outside the Commission, the Office of Nuclear Reactor Regulation, the Office of Nuclear Regulatory Research, and the necessary subcontractors that have signed a proprietary non-disclosure agreement with Westinghouse without the express written approval of Westinghouse.

Correspondence with respect to the proprietary aspects of the application for withholding or the Westinghouse affidavit should reference this letter, AW-01-1459 and should be addressed to the undersigned.

Very truly yours,

H. A. Sepp, Manager
Regulatory and Licensing Engineering
