REFERENCE: Radioactive Materials License No. 45-18401-01
Expiration January 31, 2005

Dear Ms. Kirby:

We would like to request that our radioactive materials license be amended to:

1. Add Fred McDermott, M.D. as Radiation Safety Officer. Dr. McDermott is an authorized user under this license.
2. Add Dennis C. Stanley, M.D. as Alternate Radiation Safety Officer. Dr. Stanley is presently an authorized user on our license, and has served as RSO in the past.
3. Remove Bennie Alan Skinner, M.D. as an authorized user.

Please contact John W. Cure, III, our consulting physicist, at 804-384-7003, should there be any questions.

Very truly yours,

Tom Kluge
Administrator
