Subj: Northeast Nuclear Energy Company
(Millstone Nuclear Power Station,
Unit 3), Docket 50-423-OLA

Administrative Judges:

On October 21, 1999, we filed "Northeast Nuclear Energy Company's Answer to Request for a Hearing and Petition to Intervene." Two errata have come to our attention: First, on page 2, the correct date of the License Amendment Application is March 19, 1999. Second, on page 7, the reference to "Westhampton, New York" should be to East Hampton, New York, which is approximately 25 miles from the Millstone site. We apologize for any confusion created.

Sincerely,

David A. Repka
Counsel for Northeast Nuclear Energy
