SUBJECT: APPRECIATION FOR THE ASSISTANCE WE RECEIVED

Dear Mr. Stringler:

As you may be aware, the NRC is currently tracing the whereabouts of a number of generally licensed gauges. We would like to express our appreciation for the assistance Ms. Candy Brock of your staff has provided this project. Many times during the effort, we have been unable to locate the gauge owner and turned to you for information from your files to help us determine the fate of the gauges. Each time, Ms. Brock was prompt, courteous, and diligent in locating the needed information, even on those occasions when we were able to provide her with only the barest of leads. Her efforts enabled us to determine the fate of a number of gauges that we would not otherwise been able to resolve. As we go forward with this project, we look forward to continuing to have the opportunity to work with Ms. Brock.

Sincerely,
