Dear Ms. Reed,

I am conducting a Phase I Environmental Site Assessment on a property located on Republic Road in North Billerica, Massachusetts. During my Phase I investigation, I discovered that an adjacent property was listed on the Material Licensing Tracking System (MLTS) database. The address of the property is:

Inframetrics, Inc.

16 Esquire Road

North Billerica, MA 01862

I would appreciate if you could provide me with information on what type of nuclear materials that they have onsite.

Can you mail this information to me, or fax it, or e-mail it to me? How long before I can expect this information? Please call me with any questions. My e-mail is [rgalloway@bpenvironmental.net](mailto:rgalloway@bpenvironmental.net).
