**SUBJECT: PATRAM 2001 - An Invitation (WNTI REF: LG/01/L/NCAPATRAM/42)**

Dear Mr. Green:

Thank you for the invitation to the World Nuclear Transport Institute's information session that will be held September 5, 2001, concurrent to the 2001 PATRAM symposium. I am also responding on behalf of Mr. John Cook, a co-recipient of your invitation.

I am pleased to accept your invitations, and to assist your planning for the information session, I estimate that two or three persons from the U.S. Nuclear Regulatory Commission (NRC) would attend. Our understanding is that the NRC staff attending the session would observe and possibly participate in open discussions, but that no presentation or other statement is expected.

If the above understanding is incorrect, or should you have any questions, please contact me on (301) 415-8527 or via e-mail at [rxl1@nrc.gov](mailto:rxl1@nrc.gov).

Sincerely,
