¹ In several recent issuances regarding OGD-related matters, the Board has provided citations to earlier decisions in which it has established procedural directives that govern this proceeding, including requirements regarding filing and service of pleadings. See Licensing Board Memorandum and Order (Ruling on Discovery Motions and Request to Extend Time to Complete Depositions) (May 29, 2001) at 6 n.3 (unpublished); Licensing Board Memorandum and Order (Granting Motion to Compel Response Filing Extension Motion) (Apr. 17, 2001) at 3 (citing Licensing Board September 1997 initial prehearing order) (unpublished). It is the Board's expectation that OGD counsel is now fully familiar with these specifications.

The parties also are advised that correction number forty to LBP-01-19 set forth in the Board's June 11, 2001 order is intended to apply only to the second use of the phrase "a crashing aircraft" on page thirty-eight, line sixteen of the text.
