**Operating Reactor Licensing Action Estimates**

Licensing Action Estimates," dated April 2, 2001.

Dear Sir:

This letter responds to the NRC request for information, contained in reference 1, pertaining to the estimates of the number of licensing actions that will be submitted for NRC's review in the up coming fiscal year (10/1/01 to 9/30/02).

FitzPatrick estimates that approximately eight (8) licensing actions will be submitted to the NRC during the period from October 1, 2001 through September 30, 2002.

The number of projected licensing action submittals are estimates which are subject to change and do not constitute FitzPatrick Nuclear Power Plant commitments. Therefore, there are no commitments being made by this submittal. If you have any questions, please contact Mr. Andrew Halliday at (315) 349-6055.

Very truly yours,
