RE: Use of checklist and working life for SSD 00-37

A checklist was not used for this review due to the fact that resolution of this action was concluded via a letter to the State of Ohio, and no review was performed on technical content.

Working life was not addressed during this review due to the fact that the certificates in question were in the jurisdiction of the State of Ohio, therefore resolution of this action was concluded via a letter to the State of Ohio, and no review was performed on technical content.
