

June 19, 2001

MEMORANDUM TO: Janice Dunn Lee, Director
Office of International Programs

William D. Travers
Executive Director for Operations

FROM: Andrew L. Bates, Acting Secretary **/RA/**

SUBJECT: STAFF REQUIREMENTS - SECY-01-0081 - PROPOSED
LICENSE TO EXPORT URANIUM OXIDE REFERENCE
MATERIALS TO UKRAINE FOR USE AS CALIBRATION
STANDARDS FOR SAFEGUARDS VERIFICATION
MEASUREMENTS (APPLICATION NO. XSNM03174)

The Commission has approved issuance of an export license to the Department of Energy to export uranium to the Kiev Institute for Nuclear Research in the Ukraine. In the future, the staff should work with the Executive Branch to encourage thorough assessments of the adequacy of physical protection in recipient states in connection with export license requests.
