Subject: Submittal of Integrated Initial License Training Examination  
Materials

Enclosed are the examination materials that LaSalle County Station is submitting in support of the Initial License Examination scheduled for the weeks of November 13 and 20, 2000.

This submittal includes the Senior Reactor Operator and Reactor Operator Written Examinations, Job Performance Measures, and Integrated Plant Operation Scenario Guides.

These examination materials have been developed in accordance with NUREG-1021, "Operator Licensing Examination Standards," Revision 8, Supplement 1. Please note that reference materials are attached to each individual examination question or item.

Some minor modifications have been made to the Integrated Examination Outline with regards to the operational scenarios in order to improve balance and content. These changes improve examination quality and are in compliance with NUREG-1021.

Some modifications or adjustments to the examination material may be required due to procedural changes.
