June 19, 2001

Secretary
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Attn.: Rulemakings and Adjudication Staff

I am writing in regards to the tax that is currently under consideration on companies that have Isotopes in their facilities. I want it to be noted that we are against the passing of this additional tax burden.

Sincerely

Thomas J. Mahoney
Vice President CFO
