Re: Letter of Credit

Dear Orysia Bailey:

This letter is in request of our original Letter of Credit #107 for Gammapar, formerly the Applied Radiant Energy Corporation. Our Letter was replaced with a Letter of Credit supplied by SunTrust on the 21<sup>st</sup> day of February, 2001.

If you would please return the original to make our credit file closed and complete we would greatly appreciate it.

If I might help with this process please feel free to call on me. Thank you for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read 'Terry Nash', with a stylized, cursive flourish at the end.
