Mr. Robert M. Hallisey, Director  
Radiation Control Program  
Department of Public Health  
174 Portland St., 5<sup>th</sup> Floor  
Boston, MA 02114

Dear Mr. Hallisey

Per my discussion with Kenath Traegde of your staff, he has been assigned to the Maryland follow-up IMPEP review, scheduled for August 13 - 17, 2001. I am the team leader for this review.

Instructions to IMPEP State members for travel arrangements and reimbursement from NRC were provided in the January 2001 IMPEP training material. Mr. Traegde will need to submit his travel request for the August trip in accordance with this guidance. If he has any general questions regarding the IMPEP process or specific questions regarding Maryland, please contact me at 301-415-2320.

Sincerely

Kathleen N. Schneider  
Senior Project Manager for IMPEP Coordination  
Office of State and Tribal Programs
