

JUL 8 1985

Docket Nos. 50-443
and 50-444

Mr. Robert J. Harrison
President and Chief Executive Officer
Public Service Company of New Hampshire
Post Office Box 330
Manchester, New Hampshire 03105

Dear Mr. Harrison:

SUBJECT: SEABROOK NUCLEAR STATION, UNITS 1 AND 2 - GDC 4 EXEMPTION REQUEST

This is in response to your letters dated August 9, 1984, February 1, 1985 and March 22, 1985 on the subject of exemption from certain provisions of 10 CFR Part 50, Appendix A, GDC 4. Pending Commission consideration of a rule change on this matter, the staff is currently processing only schedular exemption requests that would allow delayed action on the affected components for a period of two refueling outages or until final action on the rule. The staff position is reflected in the schedular exemptions granted recently to Catawba, Unit 2, Shearon Harris, Unit 1 and Millstone, Unit 3.

If you wish to change your request so that we can act on it soon, please inform us accordingly. Please contact Victor Nerses at (301) 492-7238 if you have any questions.

Sincerely,

151

Thomas M. Novak, Assistant Director
for Licensing
Division of Licensing
