TRAINING COURSE INFORMATION: ACCEPTANCE TO THE IRRADIATOR TECHNOLOGY COURSE (H-315) (STP-01-051)

Enclosure 1 is the list of students from the States selected to attend the August 27-31, 2001 Irradiator Technology course (H-315). Please provide the list of students and the travel instructions (Enclosure 2) to each individual from your program that is on the list. States with students attending this course have agreed to pay travel expenses, and where designated, the tuition. To cover the tuition expense, each State should submit a purchase order or equivalent document, payable to the U.S. Nuclear Regulatory Commission, to the following address:

Nuclear Regulatory Commission
Office of the Chief Financial Officer
Attn: Leah P. Tremper
Mail Stop T9E10
Washington, DC 20555

The NRC will, in turn, issue you a bill (invoice). If for any reason your attendee is unable to attend, please submit to us a written purchase order, or equivalent, to cancel, prior to the starting date of the course. Course attendees should be encouraged to make travel and lodging arrangements as soon as possible.

To assist us and other States, and to help ensure that States with candidates on waiting lists will have an opportunity to fill vacated slots that may open up after our course acceptance letters have been sent to you, we ask that you inform us of any cancellations 30 days prior to the course starting date.

If you have any questions regarding this correspondence, please contact me or the individual named below.
