Re: Turkey Point Units 3 and 4
Docket Nos. 50-250 and 50-251
Supplemental Response to Request for Additional Information
for the Review of the Turkey Point Units 3 and 4
License Renewal Application

By letter dated April 19, 2001, FPL provided responses to Requests for Additional Information (RAIs) associated with License Renewal Application (LRA) including Appendix B Aging Management Programs. Based on a review of our responses, the NRC requested an additional commitment related to the Small Bore Class 1 Piping Inspection (RAIs 3.8.7-1, 3.8.7-2, and 3.8.7-3). Accordingly, FPL will provide the NRC with a report describing the Small Bore Class 1 Piping Inspection plan prior to the implementation of this inspection. FPL will include this commitment in LRA Appendix A, Subsection 16.1.7 (page A-34).

Should you have any further questions, please contact E. A. Thompson at (305)246-6921.

Very truly yours,

A handwritten signature in black ink, appearing to read 'R. J. Hovey', with a horizontal line extending to the right.

R. J. Hovey
Vice President - Turkey Point
