Dear Sir/Madam:

The purpose of this letter is to request NRC's prior written consent to amendments to the nuclear decommissioning trust agreements for all of the nuclear generating plants of AmerGen Energy Company, LLC (AmerGen).

Amended and Restated Nuclear Decommissioning Master Trust Agreement

June 25, 2001

In References 1 & 2, AmerGen submitted copies of the executed Nuclear Decommissioning Master Trust Agreements for the Oyster Creek Nuclear Generating Station (Oyster Creek), Three Mile Island Station, Unit 1 (TMI-1), and Clinton Power Station (CPS). Consistent with NRC requirements, these agreements provide that before the agreements may be amended, either 30 days prior written notice must be given to the NRC (Oyster Creek), or prior written consent must be obtained (TMI-1 and CPS).

AmerGen has executed a single Amended and Restated Nuclear Decommissioning Master Trust Agreement for all of its nuclear generating plants. A copy of this executed agreement is provided as Attachment 1. Pursuant to Section 7.08 of this agreement, the agreement will take effect and replace the former trust agreements upon NRC providing its written consent. AmerGen requests that such written consent be provided within 60 days.

The amended and restated agreement complies with all applicable NRC license conditions. In addition, the substantive provisions of this agreement are substantially the same, in all material respects, as the existing multiple trust agreements for AmerGen's nuclear generating plants. However, some detailed provisions of this agreement have been modified to improve clarity. The use of a single master trust agreement will ease the review and approval of any future changes that may be required, by reducing the number of separate agreements subject to amendment.

In order to facilitate NRC's review of these agreements, black-line comparisons of the final agreement against each of the former trust agreements are provided as Attachment 2 (TMI-1), Attachment 3 (CPS) and Attachment 4 (Oyster Creek).

If you have any questions about this letter, please contact Mr. James A. Hutton at (610) 765-5520.

Sincerely,

J. A. Hutton
Director - Licensing

**Amended and Restated Nuclear
Decommissioning Master Trust Agreement**

**AMENDED AND RESTATED
NUCLEAR DECOMMISSIONING
MASTER TRUST AGREEMENT**

THIS NUCLEAR DECOMMISSIONING MASTER TRUST AGREEMENT (the “Agreement”), effective upon approval by the Nuclear Regulatory Commission, between AmerGen Energy Company, LLC, a limited liability company duly organized and existing under the laws of the State of Delaware, having its principal office at 965 Chesterbrook Blvd., Wayne, Pennsylvania 19087 (the “Company”), and MELLON BANK, N.A., as Trustee, having its principal office at One Mellon Bank Center, Pittsburgh, Pennsylvania 15258 (the “Trustee”);

WITNESSETH:

WHEREAS, the Company is the owner in whole or in part of each of the Units (“Unit” shall mean each, and “Units” shall mean all, of the nuclear power plants listed on the Schedule A attached to this Agreement (as that Schedule may be supplemented from time to time by the Company by written notice to the Trustee). Each unit of a multi-unit nuclear power plant site shall be considered as a separate Unit for the purposes of this Agreement); and

WHEREAS, the Company entered into certain Trust Agreements with the Trustee, described in Schedule B (“Prior Agreements”) which were established for the purpose of holding the decommissioning funds established by the Company for each Unit in which the Company owned an interest in whole or in part; and

WHEREAS, the Company and the Trustee wish to amend the Prior Agreements so that this Agreement supersedes those Prior Agreements and so that all the separate trusts established by the Prior Agreements shall be consolidated into the master trust established in this Agreement; and

WHEREAS, the Company wishes that Mellon Bank, N.A. continue to serve as Trustee of the Units’ decommissioning funds which qualify as Nuclear Decommissioning Reserve Funds under section 468A of the Internal Revenue Code of 1986, as amended, or any corresponding section or sections of any future United States internal revenue statute (the “Code”), and the Treasury Regulations thereunder (the “Qualified Funds”), and the Units’ decommissioning funds which do not so qualify (the “Nonqualified Funds”; collectively, the “Funds”), under the laws of the Commonwealth of Pennsylvania; and

WHEREAS, the execution and delivery of this Agreement have been duly authorized by the Company and the Trustee and all things necessary to make this Agreement a valid and binding agreement by the Company and the Trustee have been done.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, that to provide for the maintenance of the Funds and the making of payments therefrom and the performance of the covenants of the Company and the Trustee set forth herein, the Company does hereby sell, assign, transfer, set over and pledge unto the Trustee, and to its successors in the Trusts and its assigns, all of the Company's right, title and interest in and to any and all cash and property herewith and hereafter contributed to the Funds, subject to the provisions of Article V hereof and Section 4 of the Special Terms of the Qualified Nuclear Decommissioning Reserve Funds, attached hereto as Exhibit A (the "Special Terms").

TO HAVE AND TO HOLD THE SAME IN TRUST for the exclusive purpose of providing funds for the decommissioning of the Units in order to satisfy the liability in connection therewith, to pay the administrative costs and other incidental expenses of the Funds, and to make certain investments, all as hereinafter provided.

ARTICLE I
Purposes of the Funds; Contributions

Section 1.01. Establishment of the Funds. The Trustee shall hold a separate Qualified Fund and a separate Nonqualified Fund for each Unit. The Funds shall be as identified in Schedule A.

The Funds shall be maintained separately at all times in the United States as the Nonqualified Funds and the Qualified Funds pursuant to this Agreement and in accordance with the laws of the Commonwealth of Pennsylvania. The Company intends that the Qualified Funds shall qualify as Nuclear Decommissioning Reserve Funds under section 468A of the Code. The assets of the Qualified Funds may be used only in a manner authorized by section 468A of the Code and the Treasury Regulations thereunder and this Agreement cannot be amended to violate section 468A of the Code or the Treasury Regulations thereunder. The Trustee shall maintain such records as are necessary to reflect each Fund separately on its books from each other Fund and shall create and maintain such subaccounts within each Fund as the Company shall direct. In performing its duties under this Agreement, the Trustee shall exercise the same care and diligence that it would devote to its own property in like circumstances.

Section 1.02. Purposes of the Funds. The Funds are established for the exclusive purpose of providing funds for the decommissioning of the Units. The Nonqualified Fund for a Unit shall accumulate all contributions (whether from the Company or others) which do not satisfy the requirements for contributions to the Qualified Fund for that Unit, pursuant to Section 2 of the Special Terms. The Qualified Funds shall accumulate all contributions (whether from the Company or others) which satisfy the requirements of Section 2 of the Special Terms. The Qualified Funds shall also be governed by the provisions of the Special Terms, which provisions shall take precedence over any provisions of this Agreement construed to be in conflict therewith.

The assets in the Qualified Funds shall be used as authorized by section 468A of the Code and the Treasury Regulations thereunder. None of the assets of the Funds shall be subject to attachment, garnishment, execution or levy in any manner for the benefit of creditors of the Company or any other party.

Section 1.03. Contributions to the Funds. The assets of the Funds shall be transferred or contributed by the Company (or by others approved in writing by the Company) from time to time. Cash contributions for each Unit shall be allocated to its Qualified Fund unless the Company designates in writing at the time of payment to which of the Unit's two Funds the payment is allocated. The Company shall have sole discretion as to whether cash payments are allocated to a Qualified Fund or a Nonqualified Fund. Contributions of property other than cash shall be allocated to the Nonqualified Fund.

ARTICLE II **Payments by the Trustee**

Section 2.01. Use of Assets. The assets of each Fund shall be used exclusively (a) to satisfy, in whole or in part, any expenses or liabilities incurred with respect to the decommissioning of that Fund's Unit, including expenses incurred in connection with the preparation for decommissioning of that Unit, such as engineering and other planning expenses, and all expenses incurred after the actual decommissioning occurs, such as physical security and radiation monitoring expenses (the "Decommissioning Costs"), (b) to pay the administrative costs and other incidental expenses of each Fund, and (c) to invest in publicly-traded securities and investments (including common trust funds) as directed by the investment manager(s) pursuant to Section 3.02(a) or the Trustee pursuant to Section 3.02(b), except that all assets of the Qualified Funds must be invested in Permissible Assets as defined in the Special Terms. Except for investments tied to market indexes or other non-nuclear sector mutual funds, (1) the assets of the Funds shall not be invested in the securities or other obligations of AmerGen Energy Company, LLC, PECO Energy Company, British Energy, Inc., GPU, Inc., or affiliates thereof, or their successors or assigns; and (2) investments in any entity owning one or more nuclear power plants are prohibited. Use of the assets of the Qualified Funds shall be further limited by the provisions of the Special Terms. The assets of the Funds shall be used, in the first instance, to pay the expenses related to the decommissioning of that Fund's Unit, as defined by the United States Nuclear Regulatory Commission ("NRC") in its regulations and issuances, and as provided in the NRC issued license to operate each Unit and any amendments thereto.

Section 2.02. Certification for Decommissioning Costs.

(a) If assets of a Fund are required to satisfy Decommissioning Costs of that Fund's Unit, the Company shall present a certificate substantially in the form attached hereto as Exhibit B to the Trustee signed by its Chairman of the Board, its President or

one of its Vice Presidents and its Treasurer or an Assistant Treasurer, requesting payment from its Fund. Any certificate requesting payment by the Trustee to a third party or to the Company from a Fund for Decommissioning Costs shall include the following:

(1) a statement of the amount of the payment to be made from the Fund and whether the payment is to be made from the Nonqualified Fund, the Qualified Fund or in part from both Funds;

(2) a statement that the payment is requested to pay Decommissioning Costs which have been incurred, and if payment is to be made from the Qualified Fund, a statement that the Decommissioning Costs to be paid constitute Qualified Decommissioning Costs, as defined in the Special Terms;

(3) the nature of the Decommissioning Costs to be paid;

(4) the payee, which may be the Company in the case of reimbursement for payments previously made or expenses previously incurred by the Company for Decommissioning Costs;

(5) a statement that the Decommissioning Costs for which payment is requested have not theretofore been paid out of the Funds; and

(6) a statement that any necessary authorizations of the NRC and/or any other governmental agencies having jurisdiction with respect to the decommissioning have been obtained.

(b) No disbursements of payments for decommissioning costs from the Funds shall be made by the Trustee:

(1) unless the Trustee has first provided thirty (30) days' prior written notice of such disbursement or payment to the NRC; and

(2) if the Trustee receives written notice of an objection from the NRC Director, Office of Nuclear Reactor Regulation during such thirty (30) day notice period, or if the Trustee receives such notice at any later time that is nevertheless prior to disbursement.

(c) The Trustee shall retain at least one copy of such certificates (including attachments) and related documents received by it pursuant to this Article II.

(d) The Company shall have the right to enforce payments from the Funds upon compliance with the procedures set forth in this Section 2.02.

Section 2.03. Administrative Costs. The Trustee shall pay, as directed by the Company, the administrative costs and other incidental expenses of each Nonqualified Fund, including all federal, state, and local taxes, if any, imposed directly on the Nonqualified Fund or the income therefrom, legal expenses, accounting expenses, actuarial expenses and trustee expenses, from the assets of the respective Nonqualified Fund and shall pay, as directed by the Company, the administrative costs and other incidental expenses of each Qualified Fund, as defined in the Special Terms, from the assets of the respective Qualified Fund.

Section 2.04. Payments between the Funds. The Trustee shall make payments (i) from a Unit's Qualified Fund to that Unit's Nonqualified Fund provided such payments are in cash and are in accordance with Section 4 of the Special Terms or (ii) from a Unit's Nonqualified Fund to that Unit's Qualified Fund provided such payments are in cash and are in accordance with the contribution limitations set forth in Section 2 of the Special Terms, as the case may be, upon presentation by the Company of a certificate substantially in the form of Exhibit C hereto executed by the Company instructing the Trustee to make any such payments. The Trustee shall be fully protected in relying upon such certificate.

ARTICLE - III **Concerning the Trustee**

Section 3.01. Authority of Trustee. The Trustee hereby accepts the Trusts created under this Agreement. The Trustee shall have the authority and discretion to manage and control the Funds to the extent provided in this Agreement but does not guarantee the Funds in any manner against investment loss or depreciation in asset value or guarantee the adequacy of the Funds to satisfy the Decommissioning Costs. The Trustee shall not be liable for the making, retention or sale of any asset of a Qualified Fund which qualifies as a Permissible Asset, as defined in the Special Terms, nor shall the Trustee be responsible for any other loss to or diminution of the Funds, or for any other loss or damage which may result from the discharge of its duties hereunder except for any action not taken in good faith.

Section 3.02. Investment of Funds. (a) The Company shall have the authority to appoint one or more investment managers who shall have the power to direct the Trustee in investing the assets of the Funds; provided, however, that the Trustee shall not follow any direction which would result in assets of the Qualified Funds being invested in assets other than Permissible Assets as defined in the Special Terms. Any such investment manager(s) or other person directing investments made in the Trusts shall adhere to the "prudent investor" standard as specified in 18 C.F.R. 35.32(a)(3) of the Federal Energy Regulatory Commission ("FERC") regulations (the "Prudent Investor Standard"). To the extent that the Company chooses to exercise this authority, it shall so notify the Trustee and instruct the Trustee in writing to separate into a separate account those assets the

investment of which will be directed by each investment manager. The Company shall designate in writing the person or persons who are to represent any such investment manager in dealings with the Trustee. Upon the separation of the assets in accordance with the Company instructions, the Trustee, as to those assets while so separated, shall be released and relieved of all investment duties, investment responsibilities and investment liabilities normally or statutorily incident to a trustee; provided, however, that the Trustee shall not be relieved of the responsibility of ensuring that assets of the Qualified Funds are invested solely in Permissible Assets, as defined in the Special Terms. The Trustee shall retain all other fiduciary duties with respect to assets the investment of which is directed by investment managers.

(b) To the extent that the investment of assets of the Funds are not being directed by one or more investment managers under Section 3.02(a), the Trustee shall hold, invest, and reinvest the funds delivered to it hereunder as it in its sole discretion deems advisable, subject to the restrictions set forth herein for investment of the assets of the Qualified Funds and adherence to the Prudent Investor Standard.

(c) Regardless of the person directing investments, any assets of the Qualified Funds shall be invested solely in Permissible Assets as defined in, and required by, the Special Terms, and shall be accumulated, invested, and reinvested in like manner. Upon the written consent of the Company, the assets of a Qualified Fund relating to a Unit may be pooled with the assets of any other Qualified Fund relating to any other Unit; provided that the book and tax allocations of the pooling arrangement are made in compliance with Code section 704 (and the Treasury Regulations thereunder) provided further that such pooling arrangement elects to be classified as a partnership for federal income tax purposes.

(d) Notwithstanding any other provision of this Agreement, with respect to the pooling of investments authorized by subparagraph (c) no part of any Fund's (or any subsequent holder's) interest in such pool, nor any right pertaining to such interest (including any right to substitute another entity for the Fund or for any subsequent holder, as holder of investments pooled pursuant to subparagraph (c)) may be sold, assigned, transferred or otherwise alienated or disposed of by any holder of an interest in the pool unless the written consent to the transfer of every other holder of interests in such pool is obtained in advance of any such transfer.

(e) Notwithstanding the provisions of subparagraph (d) of this Section, a Fund's investment in a pooled arrangement may be withdrawn from the pool (but not from the Master Trust, except as otherwise permitted by this Agreement) at any time upon 7 days written notice to the Trustee by the Fund. If the Fund withdraws its entire interest in a pool, the pooled arrangement shall terminate 30 days after notice of final withdrawal has been given by any withdrawing Fund unless a majority in interest of the remaining Funds give their written consent to continue the pool within such 30 day period. If the pooled arrangement terminates, each Fund's assets will be segregated into a

separate account under the Master Trust, and no further commingling may occur for a period of at least one year after such termination.

(f) Subparagraphs (c), (d) and (e) apply to transfers of interests within, and withdrawals from, the pooling arrangement. Nothing within these sections shall be interpreted to permit or to limit transfer of interests in, or withdrawals from, a Fund, which transfers and withdrawals are governed by other provisions of this Agreement. In addition, the provisions of subparagraphs (c), (d) and (e) shall not limit the Trustee's authority to invest in permissible common or collective trust funds.

Section 3.03. Prohibition Against Self Dealing. Notwithstanding any other provision in this Agreement, the Trustee shall not engage in any act of self dealing as defined in section 468A(e)(5) of the Code and Treasury Regulations § 1.468A-5(b) or any corresponding future law or Treasury Regulation.

Section 3.04. Compensation. The Trustee shall be entitled to receive out of the Funds reasonable compensation for services rendered by it, as well as expenses necessarily incurred by it in the execution of the Trusts hereunder, provided such compensation and expenses qualify as administrative costs and other incidental expenses of a Qualified Fund, as defined in the Special Terms, with respect to any payment of compensation and expenses from that Qualified Fund. The Company acknowledges that, as part of the Trustee's compensation, the Trustee will earn interest on balances, including disbursement balances and balances arising from purchase and sale transactions. If the Trustee advances cash or securities for any purpose, including the purchase or sale of foreign exchange or of contracts for foreign exchange, or in the event that the Trustee shall incur or be assessed taxes, interest, charges, expenses, assessments, or other liabilities in connection with the performance of this Agreement, except such as may arise from its own negligent action, negligent failure to act, or willful misconduct, any property at any time held for the Funds or under this Agreement shall be security therefor and the Trustee shall be entitled to collect from the Funds sufficient cash for reimbursement, and if such cash is insufficient, dispose of the assets of the Company held under this Agreement to the extent necessary to obtain reimbursement. To the extent the Trustee advances funds to the Funds for disbursements or to effect the settlement of purchase transactions, the Trustee shall be entitled to collect from the Funds either (i) with respect to domestic assets, an amount equal to what would have been earned on the sums advanced (an amount approximating the "federal funds" interest rate) or (ii) with respect to nondomestic assets, the rate applicable to the appropriate foreign market.

Section 3.05. Books of Account. The Trustee shall keep separate true and correct books of account with respect to each Fund, which books of account shall at all reasonable times be open to inspection by the Company or its duly appointed representatives. The Trustee shall, upon written request of the Company, permit government agencies, such as the NRC or the Internal Revenue Service, to inspect the books of account of each Fund. The Trustee shall furnish to the Company on or about the

tenth business day of each month a statement for each Fund showing, with respect to the preceding calendar month, the balance of assets on hand at the beginning of such month, all receipts, investment transactions, and disbursements which took place during such month and the balance of assets on hand at the end of such month. The Trustee agrees to provide on a timely basis any information deemed necessary by the Company to file the Company's federal, state and local tax returns.

Section 3.06. Reliance on Documents. The Trustee, upon receipt of documents furnished to it by the Company pursuant to the provisions of this Agreement, shall examine the same to determine whether they conform to the requirements thereof. The Trustee acting in good faith may conclusively rely, as to the truth of statements and the correctness of opinions expressed, on any certificate or other documents conforming to the requirements of this Agreement. If the Trustee in the administration of the Funds, shall deem it necessary or desirable that a matter be provided or established prior to taking or suffering any action hereunder, such matter (unless evidence in respect thereof is otherwise specifically prescribed hereunder) may be deemed by the Trustee to be conclusively provided or established by a certificate signed by the Chairman of the Board, the President or any Vice President of the Company and delivered to the Trustee. The Trustee shall have no duty to inquire into the validity, accuracy or relevancy of any statement contained in any certificate or document nor the authorization of any party making such certificate or delivering such document, and the Trustee may rely and shall be protected in acting or refraining from acting upon any such written certificate or document furnished to it hereunder and believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee shall not, however, be relieved of any obligation (a) to refrain from self-dealing as provided in Section 3.03 hereof; (b) to ensure that all assets of the Qualified Funds are invested solely in Permissible Assets as defined in the Special Terms; or (c) to adhere to the Prudent Investor Standard if acting as manager.

Section 3.07. Liability and Indemnification. The Trustee shall not be liable for any action taken by it in good faith and without gross negligence, willful misconduct or recklessness and reasonably believed by it to be authorized or within the rights or powers conferred upon it by this Agreement and may consult with counsel of its own choice (including counsel for the Company) and shall have full and complete authorization and protection for any action taken or suffered by it hereunder in good faith and without gross negligence and in accordance with the opinion of such counsel, provided, however, that the Trustee shall be liable for direct damages resulting from investing assets of the Qualified Funds in other than Permissible Assets or from self dealing as provided in Section 3.03 hereof. Provided indemnification does not result in self dealing under Section 3.03 hereof or in a deemed contribution to a Qualified Fund in excess of the limitation on contributions under Section 468A of the Code and the Treasury Regulations thereunder, the Company hereby agrees to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without gross negligence, willful misconduct, recklessness or bad faith on the part of the Trustee, arising out of or in

connection with its entering into this Agreement and carrying out its duties hereunder, including the costs and expenses of defending itself against any claim of liability, provided such loss, liability or expense does not result from investing assets of the Qualified Funds in other than Permissible Assets as defined in the Special Terms or from self dealing under Section 3.03 hereof, and provided further that no such costs or expenses shall be paid if the payment of such costs or expenses is prohibited by section 468A of the Code or the Treasury Regulations thereunder.

The Trustee shall not be responsible or liable for any losses or damages suffered by a Fund arising as a result of the insolvency of any custodian, subtrustee or subcustodian, except to the extent the Trustee was negligent in its selection or continued retention of such entity. Under no circumstances shall the Trustee be liable for any indirect, consequential, or special damages with respect to its role as Trustee.

Section 3.08. Resignation, Removal and Successor Trustees. The Trustee may resign at any time upon sixty (60) days' written notification to the Company. The Company may remove the Trustee for any reason at any time upon thirty (30) days' written notification to the Trustee. If a successor Trustee shall not have been appointed within these specified time periods after the giving of written notice of such resignation or removal, the Trustee or Company may apply to any court of competent jurisdiction to appoint a successor Trustee to act until such time, if any, as a successor shall have been appointed and shall have accepted its appointment as provided below. If the Trustee shall be adjudged bankrupt or insolvent, a vacancy shall thereupon be deemed to exist in the office of Trustee and a successor shall thereupon be appointed by the Company. Any successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Company an appropriate written instrument accepting such appointment hereunder, subject to all the terms and conditions hereof, and thereupon such successor Trustee shall become fully vested with all the rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named as Trustee hereunder. The predecessor Trustee shall, upon written request of the Company and payment of all fees and expenses, deliver to the successor Trustee the corpus of the Funds and perform such other acts as may be required or be desirable to vest and confirm in said successor Trustee all right, title and interest in the corpus of the Funds to which it succeeds.

Section 3.09. Merger of Trustee. Any corporation or other legal entity into which the Trustee may be merged or with which it may be consolidated, or any corporation or other legal entity resulting from any merger or consolidation to which the Trustee shall be a party, or any corporation or other legal entity to which the corporate trust functions of the Trustee may be transferred, shall be the successor Trustee under this Agreement without the necessity of executing or filing any additional acceptance of this Agreement or the performance of any further act on the part of any other parties hereto.

ARTICLE IV
Amendments

The Company may revoke this Agreement at any time or may amend this Agreement from time to time, provided such amendment does not cause the Qualified Funds to fail to qualify as Nuclear Decommissioning Reserve Funds under section 468A of the Code and the Treasury Regulations thereunder. The Agreement may not be amended so as to violate 468A of the Code or the Treasury Regulations thereunder. The Qualified Funds are established and shall be maintained for the sole purpose of qualifying as Nuclear Decommissioning Reserve Funds under section 468A of the Code and the Treasury Regulations thereunder. If the Qualified Funds would fail to so qualify because of any provision contained in this Agreement, this Agreement shall be deemed to be amended as necessary to conform with the requirements of section 468A and the Treasury Regulations thereunder. If a proposed amendment shall affect the responsibility of the Trustee, such amendment shall not be considered valid and binding until such time as the amendment is executed by the Trustee. Notwithstanding any provision herein to the contrary, this Agreement cannot be modified in any material respect without the prior written consent of the NRC Director, Office of Nuclear Reactor Regulation.

ARTICLE V
Powers of the Trustee and Investment Manager

Section 5.01. General Powers. The Trustee shall have and exercise the following powers and authority in the administration of the Funds only on the direction of an Investment Manager where such powers and authority relate to a separate account established for an Investment Manager, and in its sole discretion where such powers and authority relate to investments made by the Trustee in accordance with Section 3.02(b):

(a) to purchase, receive or subscribe for any securities or other property and to retain in trust such securities or other property;

(b) to sell, exchange, convey, transfer, lend, or otherwise dispose of any property held in the Funds and to make any sale by private contract or public auction; and no person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity, expediency or propriety of any such sale or other disposition;

(c) to vote in person or by proxy any stocks, bonds or other securities held in the Funds;

(d) to exercise any rights appurtenant to any such stocks, bonds or other securities for the conversion thereof into other stocks, bonds or securities, or to exercise rights or options to subscribe for or purchase additional stocks, bonds or other securities, and to make any and all necessary payments with respect to any such conversion or

exercise, as well as to write options with respect to such stocks and to enter into any transactions in other forms of options with respect to any options which the Funds have outstanding at any time;

(e) to join in, dissent from or oppose the reorganization, recapitalization, consolidation, sale or merger of corporations or properties of which the Funds may hold stocks, bonds or other securities or in which it may be interested, upon such terms and conditions as deemed wise, to pay any expenses, assessments or subscriptions in connection therewith, and to accept any securities or property, whether or not trustees would be authorized to invest in such securities or property, which may be issued upon any such reorganization, recapitalization, consolidation, sale or merger and thereafter to hold the same, without any duty to sell;

(f) to enter into any type of contract with any insurance company or companies, either for the purposes of investment or otherwise; provided that no insurance company dealing with the Trustee shall be considered to be a party to this Agreement and shall only be bound by and held accountable to the extent of its contract with the Trustee. Except as otherwise provided by any contract, the insurance company need only look to the Trustee with regard to any instructions issued and shall make disbursements or payments to any person, including the Trustee, as shall be directed by the Trustee. Where applicable, the Trustee shall be the sole owner of any and all insurance policies or contracts issued. Such contracts or policies, unless otherwise determined, shall be held as an asset of the Funds for safekeeping or custodian purposes only;

(g) upon authorization of the Company to lend the assets of the Funds and, specifically, to loan any securities to brokers, dealers or banks upon such terms, and secured in such manner, as may be determined by the Trustee, to permit the loaned securities to be transferred into the name of the borrower or others and to permit the borrower to exercise such rights of ownership over the loaned securities as may be required under the terms of any such loan; provided, that, with respect to the lending of securities pursuant to this paragraph, the Trustee's powers shall subsume the role of custodian (the expressed intent hereunder being that the Trustee, in such case, be deemed a financial institution, within the meaning of section 101 (22) of the Bankruptcy Code); and provided, further, that any loans made from the Funds shall be made in conformity with such laws or regulations governing such lending activities which may have been promulgated by any appropriate regulatory body at the time of such loan;

(h) to purchase, enter, sell, hold, and generally deal in any manner in and with contracts for the immediate or future delivery of financial instruments of any issuer or of any other property and in foreign exchange or foreign exchange contracts; to grant, purchase, sell, exercise, permit to expire, permit to be held in escrow, and otherwise to acquire, dispose of, hold and generally deal in any manner with and in all forms of options in any combination.

Settlements of transactions may be effected in trading and processing practices customary in the jurisdiction or market where the transaction occurs. The Company acknowledges that this may, in certain circumstances, require the delivery of cash or securities (or other property) without the concurrent receipt of securities (or other property) or cash and, in such circumstances, the Company shall have sole responsibility for nonreceipt of payment (or late payment) by the counterparty.

Notwithstanding anything in this Agreement to the contrary, the Trustee shall not be responsible or liable for its failure to perform under this Agreement or for any losses to the Funds resulting from any event beyond the reasonable control of the Trustee, its agents or subcustodians, including but not limited to nationalization, strikes, expropriation, devaluation, seizure, or similar action by any governmental authority, de facto or de jure; or enactment, promulgation, imposition or enforcement by any such governmental authority of currency restrictions, exchange controls, levies or other charges affecting the Funds' property; or the breakdown, failure or malfunction of any utilities or telecommunications systems; or any order or regulation of any banking or securities industry including changes in market rules and market conditions affecting the execution or settlement of transactions; or acts of war, terrorism, insurrection or revolution; or acts of God; or any other similar event. This Section shall survive the termination of this Agreement.

Section 5.02. Specific Powers of the Trustee. The Trustee shall have the following powers and authority, to be exercised in its sole discretion with respect to the Funds:

The following Special Terms of the Qualified Nuclear Decommissioning Reserve Funds (hereinafter referred to as the "Special Terms") will apply for purposes of the Nuclear Decommissioning Master Trust Agreement (the "Agreement"), dated _____ between AMERGEN ENERGY COMPANY, LLC (the "Company") and MELLON BANK, N.A. (the "Trustee").

Section 1. Definitions. The following terms as used in the Special Terms shall, unless the context clearly indicates otherwise, have the following respective meanings:

(a) "Administrative costs and other incidental expenses of the Qualified Funds" shall mean all ordinary and necessary expenses incurred in connection with the operation of the Qualified Funds, as provided in Treasury Regulations § 1.468A-5(a)(3)(ii)(A) or any corresponding future Treasury Regulation, including without limitation, federal, state and local income tax (including any Final Tax Liabilities), legal expenses, accounting expenses, actuarial expenses and trustee expenses.

(b) "Final Tax Liabilities" shall mean any and all tax liabilities determined to be owing but not paid out of the assets of any of the Seller's or Transferor's Qualified Fund related to each unit prior to the transfer of the assets of the Seller's or Transferor's Qualified Fund to the Qualified Fund.

(c) "Final Tax Refunds" shall mean any and all tax refunds determined to be receivable but not collected by the Seller's or Transferor's Qualified Fund prior to the transfer of the assets of the Seller's or Transferor's Qualified Fund to the Qualified Funds.

(d) "Permissible Assets" shall mean any investment permitted for a qualified nuclear decommissioning reserve fund under section 468A of the Code and the Treasury Regulations thereunder, subject to the restrictions provided in Section 5.04 of the Agreement.

(e) "Qualified Decommissioning Costs" shall mean all expenses otherwise deductible for federal income tax purposes without regard to section 280B of the Internal Revenue Code of 1986, as amended, or any corresponding section or sections of any future United States internal revenue statute (the "Code"), incurred (or to be incurred) in connection with the entombment, decontamination, dismantlement, removal and disposal of the structures, systems and components of a Unit when it has permanently ceased the production of electric energy, excluding any costs incurred for the disposal of spent

nuclear fuel, as provided in Treasury Regulations § 1.468A-1(b)(5) or any corresponding future Treasury Regulation. Such term includes all otherwise deductible expenses to be incurred in connection with the preparation for decommissioning, such as engineering and other planning expenses, and all otherwise deductible expenses to be incurred with respect to a Unit after the actual decommissioning occurs, such as physical security and radiation monitoring expenses.

(f) “Seller’s or Transferor’s Qualified Fund” shall mean the trust established and maintained for any respective unit that qualified as a nuclear decommissioning reserve fund under Code section 468A prior to the sale or transfer of such unit.

(g) “Substantial completion of decommissioning” shall mean the date that the maximum acceptable radioactivity levels mandated by the NRC with respect to a decommissioned nuclear power plant are satisfied by the Unit; provided, however, that if the Company requests a ruling from the Internal Revenue Service, the date designated by the Internal Revenue Service as the date on which substantial completion of decommissioning occurs shall govern; provided, further, that the date on which substantial completion of decommissioning occurs shall be in accordance with Treasury Regulations §1.468A-5(d)(2) or any corresponding future Treasury Regulation.

Section 2. Contributions to a Qualified Fund. The assets of the Qualified Funds shall be contributed by the Company (or by others approved by the Company in writing) from time to time in cash. The Trustee shall not accept any contributions for the Qualified Funds other than cash payments with respect to which the Company is allowed a deduction under section 468A(a) of the Code and Treasury Regulations §1.468A-2(a) or any corresponding future Treasury Regulations, except for any Final Tax Refunds. The Company hereby represents that all contributions (or deemed contributions), except for any Final Tax Refunds, by the Company to the Qualified Funds in accordance with the provisions of Section 1.03 of the Agreement shall be deductible under section 468A of the Code and Treasury Regulations §1.468A-2(a) or any corresponding future Treasury Regulation or shall be withdrawn pursuant to Section 4 hereof.

Section 3. Limitation on Use of Assets. The assets of the Qualified Funds shall be used exclusively as follows:

(c) To the extent the assets of the Qualified Funds are not currently required for (a) and (b) above, to invest directly in Permissible Assets.

Section 4. Transfers by the Company. If the Company's contribution (or deemed contribution) excluding any Final Tax Refunds to the Qualified Funds in any one year exceeds the amount deductible under section 468A of the Code and the Treasury Regulations thereunder, the Company may instruct the Trustee to transfer such excess contribution from a Unit's Qualified Fund to that Unit's Nonqualified Fund, as defined in the Agreement, pursuant to Section 2.04 of the Agreement, provided any such transfer occurs on or before the date prescribed by law (including extensions) for filing the federal income tax return of the Qualified Funds for the taxable year to which the excess contribution relates for withdrawals pursuant to Treasury Regulations §§1.468A-5(c)(2) and 1.468A-2(f)(2) and occurs on or before the later of the date prescribed by law (including extensions) for filing the federal income tax return of the Qualified Funds for the taxable year to which the excess contribution relates or the date that is thirty (30) days after the date that the Company receives the ruling amount for such taxable year for withdrawals pursuant to Treasury Regulations § 1.468A-3(j)(3). If the Company determines that transfer pursuant to this Section 4 is appropriate, the Company shall present a certificate so stating to the Trustee signed by its Chairman of the Board, its President or one of its Vice Presidents and its Treasurer or an Assistant Treasurer, requesting such withdrawal and transfer. The certificate shall be substantially in the form attached as Exhibit C to the Agreement for transfers to Nonqualified Funds as provided in Section 2.04 of the Agreement and substantially in the form of Exhibit D to the Agreement for withdrawals and transfers by the Company.

Section 5. Taxable Year/Tax Returns. The accounting and taxable year for the Qualified Funds shall be the taxable year of the Company for federal income tax purposes. If the taxable year of the Company shall change, the Company shall notify the Trustee of such change and the accounting and taxable year of the Qualified Funds must change to the taxable year of the Company as provided in Treasury Regulations §1.468A-4(c)(1) or any corresponding future Treasury Regulation. The Company shall assist the Trustee in complying with any requirements under section 442 of the Code and Treasury Regulations §1.442-1. CROSS-TRADING INFORMATION

As part of the cross-trading program covered by the Exemption for the Trustee and its affiliates, the Trustee is to provide to each affected Trust the following information:

I. The existence of the cross-trading program

The Trustee has developed and intends to utilize, wherever practicable, a cross-trading program for Indexed Accounts and Large Accounts as those terms are defined in the Exemption.

II. The "triggering events" creating cross-trade opportunities

In accordance with the exemption three "triggering events" may create opportunities for cross-trading transactions. They are generally the following (see the Exemption for more information):

- A. A change in the composition or weighting of the index by the independent organization creating and maintaining the index;
- B. A change in the overall level of investment in an Indexed Account as a result of investments and withdrawals on the account's opening date, where the Account is a bank collective fund, or on any relevant date for non-bank collective funds; provided, however, a change in an Indexed Account resulting from investments or withdrawals of assets of the Trustee's own plans (other than the Trustee's defined contribution plans under which participants may direct among various investment options, including Indexed Accounts) are excluded as a "triggering event"; or
- C. A recorded declaration by the Trustee that an accumulation of cash in an Indexed Account attributable to interest or dividends on, and/or tender offers for, portfolio securities equal to not more than 0.5% of the Account's total value has occurred.

III. The pricing mechanism utilized for securities purchased or sold

Securities will be valued at the current market value for the securities on the date of the crossing transaction.

Equity securities - the current market value for the equity security will be the closing price on the day of trading as determined by an independent pricing service; unless the security was added to or deleted from an index after the close of trading, in which case the price will be the opening price for that security on the next business day after the announcement of the addition or deletion.

Debt securities - the current market value of the debt security will be the price determined by the Trustee as of the close of the day of trading according to the Securities and Exchange Commission's Rule 17a-7(b)(4) under the Investment Company Act of 1940.

Debt securities that are not reported securities or traded on an exchange will be valued based on an average of the highest current independent bids and the lowest current independent offers on the day of cross-trading. The Trustee will use reasonable inquiry to obtain such prices from at least three independent sources that are brokers or market makers. If there are fewer than three independent sources to price a certain debt security, the closing price quotations will be obtained from all available sources.

IV. The allocation methods

Direct cross-trade opportunities will be allocated among potential buyers or sellers of debt or equity securities on a pro rata basis. With respect to equity securities, please note the Trustee imposes a trivial share constraint to reduce excessive custody ticket charges to participating accounts.

V. Other procedures implemented by the Trustee for its cross-trading practices

The Trustee has developed certain internal operational procedures for cross-trading debt and equity securities. These procedures are available upon request.

ARTICLE - III **Concerning the Trustee**

Section 3.01. Authority of Trustee. The Trustee hereby accepts the ~~[trust]~~ [Trusts] created under this Agreement. The Trustee shall have the authority and discretion to manage and control the Funds to the extent provided in this Agreement but does not guarantee the Funds in any manner against investment loss or depreciation in asset value or guarantee the adequacy of the Funds to satisfy the Decommissioning Costs. The Trustee shall not be liable for the making, retention or sale of any asset of a Qualified Fund which qualifies as a Permissible Asset, as defined in the Special Terms, nor shall the Trustee be responsible for any other loss to or diminution of the Funds, or

for any other loss or damage which may result from the discharge of its duties hereunder except for any action not taken in good faith.

Section 3.02. Investment of Funds. (a) The Company shall have the authority to appoint one or more investment managers who shall have the power to direct the Trustee in investing the assets of the Funds; provided, however, that the Trustee shall not follow any direction which would result in assets of ~~{a}~~ [the] Qualified ~~{Fund}~~ [Funds] being invested in assets other than Permissible Assets as defined in the Special Terms. Any such investment manager(s) [or other person directing investments made in the Trusts] shall adhere to the “prudent investor” standard as specified in 18 C.F.R. 35.32(a)(3) of the Federal Energy Regulatory Commission (“FERC”) regulations (the “Prudent Investor Standard”). To the extent that the Company chooses to exercise this authority, it shall so notify the Trustee and instruct the Trustee in writing to separate into a separate account those assets the investment of which will be directed by each investment manager. The Company shall designate in writing the person or persons who are to represent any such investment manager in dealings with the Trustee. Upon the separation of the assets in accordance with the Company instructions, the Trustee, as to those assets while so separated, shall be released and relieved of all investment duties, investment responsibilities and investment liabilities normally or statutorily incident to a trustee; provided, however, that the Trustee shall not be relieved of the responsibility of ensuring that assets of ~~{a}~~ [the] Qualified ~~{Fund}~~ [Funds] are invested solely in Permissible Assets, as defined in the Special Terms. The Trustee shall retain all other fiduciary duties with respect to assets the investment of which is directed by investment managers.

(b) To the extent that the investment of assets of the Funds are not being directed by one or more investment managers under Section 3.02(a), the Trustee shall hold, invest, and reinvest the funds delivered to it hereunder as it in its sole discretion deems advisable, subject to the restrictions set forth herein for investment of the assets of ~~{a}~~ [the] Qualified ~~{Fund,}~~ [Funds and] adherence to the Prudent Investor Standard~~[-, and guidelines acceptable to the Trustee].~~

(c) Regardless of the person directing investments, any assets of ~~{a}~~ [the] Qualified ~~{Fund}~~ [Funds] shall be invested solely in Permissible Assets as defined in, and required by, the Special Terms, and shall be accumulated, invested, and reinvested in like manner. Upon the written consent of the Company, the assets of a Qualified Fund relating to a Unit may be pooled~~[-, but only]~~ with the assets of any other Qualified Fund relating to any other Unit; provided that the book and tax allocations of the ~~{Qualified Fund Pool are made in proportion to each Qualified Fund’s relative book capital accounts. Upon the written consent of the Company, the assets of a Nonqualified Fund relating to a Unit may be pooled, but only with the assets of another Nonqualified Fund relating to any other Unit.}~~ [pooling arrangement are made in compliance with Code section 704 (and the Treasury Regulations thereunder) provided further that such pooling arrangement elects to be classified as a partnership for federal income tax purposes.]

(d) Notwithstanding any other provision of this Agreement, with respect to the pooling of investments authorized by subparagraph (c) no part of any Fund's (or any subsequent holder's) interest in such pool, nor any right pertaining to such interest (including any right to substitute another entity for the Fund or for any subsequent holder, as holder of investments pooled pursuant to subparagraph (c)) may be sold, assigned, transferred or otherwise alienated or disposed of by any holder of an interest in the pool unless the written consent to the transfer of every other holder of interests in such pool is obtained in advance of any such transfer.

(e) Notwithstanding the provisions of subparagraph (d) of this Section, a ~~Fund's~~ [Fund's] investment in a pooled arrangement may be withdrawn from the pool (but not from the Master Trust, except as otherwise permitted by this Agreement) at any time upon 7 days written notice to the Trustee by the Fund. If the Fund withdraws its entire interest in a pool, the pooled arrangement shall terminate 30 days after notice of final withdrawal has been given by any withdrawing Fund unless a majority in interest of the remaining Funds give their written consent to continue the pool within such 30 day period. If the pooled arrangement terminates, each ~~Fund's~~ [Fund's] assets will be segregated into a separate account under the Master Trust, and no further commingling may occur for a period of at least one year after such termination.

(f) Subparagraphs (c), (d) and (e) apply to transfers of interests within, and withdrawals from, the pooling arrangement. Nothing within these sections shall be interpreted to permit or to limit transfer of interests in, or withdrawals from, a Fund, which transfers and withdrawals are governed by other provisions of this ~~agreement~~ [Agreement]. In addition, the provisions of subparagraphs (c), (d) and (e) shall not limit the ~~Trustee's~~ [Trustee's] authority to invest in permissible common or collective trust funds.

Section 3.03. Prohibition Against Self ~~Deal~~Dealing. Notwithstanding any other provision in this Agreement, the Trustee shall not engage in any act of self ~~deal~~dealing as defined in section 468A(e)(5) of the Code and ~~Treas. Reg.~~ [Treasury Regulations] § 1.468A-5(b) or any corresponding future law or Treasury Regulation.

Section 3.04. Compensation. The Trustee shall be entitled to receive out of the Funds reasonable compensation for services rendered by it, as well as expenses necessarily incurred by it in the execution of the ~~trust~~ [Trusts] hereunder, provided such compensation and expenses qualify as administrative costs and other incidental expenses of ~~the~~ [a] Qualified Fund, as defined in the Special Terms, with respect to any payment of compensation and expenses from ~~the~~ [that] Qualified Fund. The Company acknowledges that, as part of the ~~Trustee's~~ [Trustee's] compensation, the Trustee will earn interest on balances, including disbursement balances and balances arising from purchase and sale transactions. If the Trustee advances cash or securities for any purpose, including the purchase or sale of foreign exchange or of contracts for foreign exchange, or in the event that the Trustee shall incur or be assessed taxes, interest, charges, expenses, assessments, or other liabilities in connection with the performance of

this Agreement, except such as may arise from its own negligent action, negligent failure to act, or willful misconduct, any property at any time held for the Funds or under this Agreement shall be security therefor and the Trustee shall be entitled to collect from the Funds sufficient cash for reimbursement, and if such cash is insufficient, dispose of the assets of the Company held under this Agreement to the extent necessary to obtain reimbursement. To the extent the Trustee advances funds to the Funds for disbursements or to effect the settlement of purchase transactions, the Trustee shall be entitled to collect from the Funds either (i) with respect to domestic assets, an amount equal to what would have been earned on the sums advanced (an amount approximating the "federal funds" interest rate) or (ii) with respect to nondomestic assets, the rate applicable to the appropriate foreign market.

Section 3.05. Books of Account. The Trustee shall keep separate true and correct books of account with respect to each ~~[of the Funds]~~ [Fund], which books of account shall at all reasonable times ~~[and with reasonable notice]~~ be open to inspection by the Company or its duly appointed representatives. The Trustee shall, upon written request of the Company, permit government agencies, such as the NRC or the Internal Revenue Service, to inspect the books of account of ~~[the Funds]~~ [each Fund]. The Trustee shall furnish to the Company ~~[by]~~ [on or about] the tenth business day of each month a statement for each Fund showing, with respect to the preceding calendar month, the balance of assets on hand at the beginning of such month, all receipts, investment transactions, and disbursements which took place during such month and the balance of assets on hand at the end of such month. The Trustee agrees to provide on a timely basis any information deemed necessary by the Company to file the ~~[Company's]~~ [Company's] federal ~~[and]~~ [.] state [and local] tax returns.

Section 3.06. Reliance on Documents. The Trustee, upon receipt of documents furnished to it by the Company pursuant to the provisions of this Agreement, shall examine the same to determine whether they conform to the requirements thereof. The Trustee acting in good faith may conclusively rely, as to the truth of statements and the correctness of opinions expressed ~~[in]~~ [on] any certificate or other documents conforming to the requirements of this Agreement. If the Trustee in the administration of the Funds, shall deem it necessary or desirable that a matter be provided or established prior to taking or suffering any action hereunder, such matter (unless evidence in respect thereof is otherwise specifically prescribed hereunder) may be deemed by the Trustee to be conclusively provided or established by a certificate signed by the Chairman of the Board, the President or any Vice President of the Company and delivered to the Trustee. The Trustee shall have no duty to inquire into the validity, accuracy or relevancy of any statement contained in any certificate or document nor the authorization of any party making such certificate or delivering such document~~[.]~~ and the Trustee may rely and shall be protected in acting or refraining from acting upon any such written certificate or document furnished to it hereunder and believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee shall not, however, be relieved of any obligation (a) to refrain from self-dealing as provided in Section 3.03 hereof~~[.]~~ (b) to ensure that all assets of ~~[a]~~ [the] Qualified ~~[Fund]~~ [Funds] are invested

solely in Permissible Assets as defined in the Special Terms[.] or (c) to adhere to the Prudent Investor Standard if acting as manager.

Section 3.07. Liability and Indemnification. The Trustee shall not be liable for any action taken by it in good faith and without gross negligence, willful misconduct or recklessness and reasonably believed by it to be authorized or within the rights or powers conferred upon it by this Agreement and may consult with counsel of its own choice (including counsel for the Company) and shall have full and complete authorization and protection for any action taken or suffered by it hereunder in good faith and without gross negligence and in accordance with the opinion of such counsel, provided, however, that the Trustee shall be liable for direct damages resulting from investing assets of the Qualified ~~[Fund]~~ [Funds] in other than Permissible Assets or from self ~~[]~~dealing as provided in Section 3.03 hereof. Provided indemnification does not result in self ~~[]~~dealing under Section 3.03 hereof or in a deemed contribution to a Qualified Fund in excess of the limitation on contributions under Section 468A of the Code and the ~~[regulations]~~ [Treasury Regulations] thereunder, the Company hereby agrees to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without gross negligence, willful misconduct, recklessness or bad faith on the part of the Trustee, arising out of or in connection with its entering into this Agreement and carrying out its duties hereunder, including the costs and expenses of defending itself against any claim of liability, provided such loss, liability or expense does not result from investing assets of ~~[a]~~ [the] Qualified ~~[Fund]~~ [Funds] in other than Permissible Assets as defined in the Special Terms or from self ~~[]~~dealing under Section 3.03 hereof, and provided further that no such costs or expenses shall be paid if the payment of such costs or expenses is prohibited by ~~[section 468A of the Code or the regulations thereunder.~~ This indemnification shall survive the termination of this Agreement.] [section 468A of the Code or the Treasury Regulations thereunder.]

The Trustee shall not be responsible or liable for any losses or damages suffered by ~~[the]~~ [a] Fund arising as a result of the insolvency of any custodian, subtrustee or subcustodian, except to the extent the Trustee was negligent in its selection or continued retention of such entity. Under no circumstances shall the Trustee be liable for any indirect, consequential, or special damages with respect to its role as Trustee.

Section 3.08. Resignation, Removal and Successor Trustees. The Trustee may resign at any time upon sixty (60) ~~[days]~~ [days'] written notification to the Company. The Company may remove the Trustee for any reason at any time upon thirty (30) ~~[days]~~ [days'] written notification to the Trustee. If a successor Trustee shall not have been appointed within these specified time periods after the giving of written notice of such resignation or removal, the Trustee or Company may apply to any court of competent jurisdiction to appoint a successor Trustee to act until such time, if any, as a successor shall have been appointed and shall have accepted its appointment as provided below. If the Trustee shall be adjudged bankrupt or insolvent, a vacancy shall thereupon be deemed to exist in the office of Trustee and a successor shall thereupon be appointed by the Company. Any successor Trustee appointed hereunder shall execute, acknowledge and

deliver to the Company an appropriate written instrument accepting such appointment hereunder, subject to all the terms and conditions hereof, and thereupon such successor Trustee shall become fully vested with all the rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named as Trustee hereunder. The predecessor Trustee shall[,] upon written request of the Company[,] and payment of all fees and expenses, deliver to the successor Trustee the corpus of the Funds and perform such other acts as may be required or be desirable to vest and confirm in said successor Trustee all right, title and interest in the corpus of the Funds to which it succeeds.

Section 3.09. Merger of Trustee. Any corporation or other legal entity into which the Trustee may be merged or with which it may be consolidated, or any corporation or other legal entity resulting from any merger or consolidation to which the Trustee shall be a party, or any corporation or other legal entity to which the corporate trust functions of the Trustee may be transferred, shall be the successor Trustee under this Agreement without the necessity of executing or filing any additional acceptance of this Agreement or the performance of any further act on the part of any other parties hereto.

ARTICLE IV **Amendments**

The Company [may revoke this Agreement at any time or] may amend this Agreement from time to time, provided such amendment does not cause the Qualified [~~Fund~~] [~~Funds~~] to fail to qualify as [~~a~~] Nuclear Decommissioning Reserve [~~Fund~~] [~~Funds~~] under section 468A of the Code and the [~~regulations thereunder~~. ~~The Qualified Fund is~~] [Treasury Regulations thereunder. The Agreement may not be amended so as to violate 468A of the Code or the Treasury Regulations thereunder. If a proposed amendment shall affect the responsibility of the Trustee, such amendment shall not be considered valid and binding until such time as the amendment is executed by the Trustee. Notwithstanding any provision herein to the contrary, this Agreement cannot be modified in any material respect without the prior written consent of the NRC Director, Office of Nuclear Reactor Regulation.

ARTICLE V **Powers of the Trustee and Investment Manager**

CROSS-TRADING INFORMATION

As part of the cross-trading program covered by the Exemption for the Trustee and its affiliates, the Trustee is to provide to each affected Trust the following information:

I. The existence of the cross-trading program

The Trustee has developed and intends to utilize, wherever practicable, a cross-trading program for Indexed Accounts and Large Accounts as those terms are defined in the Exemption.

II. The "triggering events" creating cross-trade opportunities

In accordance with the exemption three "triggering events" may create opportunities for cross-trading transactions. They are generally the following (see the Exemption for more information):

- A. A change in the composition or weighting of the index by the independent organization creating and maintaining the index;
- B. A change in the overall level of investment in an Indexed Account as a result of investments and withdrawals on the account's opening date, where the Account is a bank collective fund, or on any relevant date for non-bank collective funds; provided, however, a change in an Indexed Account resulting from investments or withdrawals of assets of the Trustee's own plans (other than the Trustee's defined contribution plans under which participants may direct among various investment options, including Indexed Accounts) are excluded as a "triggering event"; or
- C. A recorded declaration by the Trustee that an accumulation of cash in an Indexed Account attributable to interest or dividends on, and/or tender offers for, portfolio securities equal to not more than 0.5% of the Account's total value has occurred.

III. The pricing mechanism utilized for securities purchased or sold

Securities will be valued at the current market value for the securities on the date of the crossing transaction.

Equity securities - the current market value for the equity security will be the closing price on the day of trading as determined by an independent pricing service; unless the security was added to or deleted from an index after the close of trading, in which case the price will be the opening price for that security on the next business day after the announcement of the addition or deletion.

Debt securities - the current market value of the debt security will be the price determined by the Trustee as of the close of the day of trading according to the Securities and Exchange Commission's Rule 17a-7(b)(4) under the Investment Company Act of 1940.

Debt securities that are not reported securities or traded on an exchange will be valued based on an average of the highest current independent bids and the lowest current independent offers on the day of cross-trading. The Trustee will use reasonable inquiry to obtain such prices from at least three independent sources that are brokers or market makers. If there are fewer than three independent sources to price a certain debt security, the closing price quotations will be obtained from all available sources.

IV. The allocation methods

Direct cross-trade opportunities will be allocated among potential buyers or sellers of debt or equity securities on a ~~prorata~~ pro rata basis. With respect to equity securities, please note the Trustee imposes a trivial share constraint to reduce excessive custody ticket charges to participating accounts.

V. Other procedures implemented by the Trustee for its cross-trading practices

The Trustee has developed certain internal operational procedures for cross-trading debt and equity securities. These procedures are available upon request.

ARTICLE - III **Concerning the Trustee**

Section 3.01. Authority of Trustee. The Trustee hereby accepts the ~~[trust]~~ [Trusts] created under this Agreement. The Trustee shall have the authority and discretion to manage and control the Funds to the extent provided in this Agreement but does not guarantee the Funds in any manner against investment loss or depreciation in asset value or guarantee the adequacy of the Funds to satisfy the Decommissioning Costs. The Trustee shall not be liable for the making, retention or sale of any asset of a Qualified Fund which qualifies as a Permissible Asset, as defined in the Special Terms, nor shall the Trustee be responsible for any other loss to or diminution of the Funds, or

for any other loss or damage which may result from the discharge of its duties hereunder except for any action not taken in good faith.

Section 3.02. Investment of Funds. (a) The Company shall have the authority to appoint one or more investment managers who shall have the power to direct the Trustee in investing the assets of the Funds; provided, however, that the Trustee shall not follow any direction which would result in assets of ~~{a}~~ [the] Qualified ~~{Fund}~~ [Funds] being invested in assets other than Permissible Assets as defined in the Special Terms. Any such investment manager(s) [or other person directing investments made in the Trusts] shall adhere to the “prudent investor” standard as specified in 18 C.F.R. 35.32(a)(3) of the Federal Energy Regulatory Commission (“FERC”) regulations (the “Prudent Investor Standard”). To the extent that the Company chooses to exercise this authority, it shall so notify the Trustee and instruct the Trustee in writing to separate into a separate account those assets the investment of which will be directed by each investment manager. The Company shall designate in writing the person or persons who are to represent any such investment manager in dealings with the Trustee. Upon the separation of the assets in accordance with the Company instructions, the Trustee, as to those assets while so separated, shall be released and relieved of all investment duties, investment responsibilities and investment liabilities normally or statutorily incident to a trustee; provided, however, that the Trustee shall not be relieved of the responsibility of ensuring that assets of ~~{a}~~ [the] Qualified ~~{Fund}~~ [Funds] are invested solely in Permissible Assets, as defined in the Special Terms. The Trustee shall retain all other fiduciary duties with respect to assets the investment of which is directed by investment managers.

(b) To the extent that the investment of assets of the Funds are not being directed by one or more investment managers under Section 3.02(a), the Trustee shall hold, invest, and reinvest the funds delivered to it hereunder as it in its sole discretion deems advisable, subject to the restrictions set forth herein for investment of the assets of ~~{a}~~ [the] Qualified ~~{Fund,}~~ [Funds and] adherence to the Prudent Investor Standard~~, and guidelines acceptable to the Trustee.~~

(c) Regardless of the person directing investments, any assets of ~~{a}~~ [the] Qualified ~~{Fund}~~ [Funds] shall be invested solely in Permissible Assets as defined in, and required by, the Special Terms, and shall be accumulated, invested, and reinvested in like manner. Upon the written consent of the Company, the assets of a Qualified Fund relating to a Unit may be pooled~~, but only~~ with the assets of any other Qualified Fund relating to any other Unit; provided that the book and tax allocations of the ~~{Qualified Fund Pool are made in proportion to each Qualified Fund’s relative book capital accounts. Upon the written consent of the Company, the assets of a Nonqualified Fund relating to a Unit may be pooled, but only with the assets of another Nonqualified Fund relating to any other Unit.}~~ [pooling arrangement are made in compliance with Code section 704 (and the Treasury Regulations thereunder) provided further that such pooling arrangement elects to be classified as a partnership for federal income tax purposes.]

(d) Notwithstanding any other provision of this Agreement, with respect to the pooling of investments authorized by subparagraph (c) no part of any Fund's (or any subsequent holder's) interest in such pool, nor any right pertaining to such interest (including any right to substitute another entity for the Fund or for any subsequent holder, as holder of investments pooled pursuant to subparagraph (c)) may be sold, assigned, transferred or otherwise alienated or disposed of by any holder of an interest in the pool unless the written consent to the transfer of every other holder of interests in such pool is obtained in advance of any such transfer.

(e) Notwithstanding the provisions of subparagraph (d) of this Section, a ~~[Fund's]~~ [Fund's] investment in a pooled arrangement may be withdrawn from the pool (but not from the Master Trust, except as otherwise permitted by this Agreement) at any time upon 7 days written notice to the Trustee by the Fund. If the Fund withdraws its entire interest in a pool, the pooled arrangement shall terminate 30 days after notice of final withdrawal has been given by any withdrawing Fund unless a majority in interest of the remaining Funds give their written consent to continue the pool within such 30 day period. If the pooled arrangement terminates, each ~~[Fund's]~~ [Fund's] assets will be segregated into a separate account under the Master Trust, and no further commingling may occur for a period of at least one year after such termination.

(f) Subparagraphs (c), (d) and (e) apply to transfers of interests within, and withdrawals from, the pooling arrangement. Nothing within these sections shall be interpreted to permit or to limit transfer of interests in, or withdrawals from, a Fund, which transfers and withdrawals are governed by other provisions of this ~~[agreement]~~ [Agreement]. In addition, the provisions of subparagraphs (c), (d) and (e) shall not limit the ~~[Trustee's]~~ [Trustee's] authority to invest in permissible common or collective trust funds.

Section 3.03. Prohibition Against Self ~~[-]~~Dealing. Notwithstanding any other provision in this Agreement, the Trustee shall not engage in any act of self ~~[-]~~dealing as defined in section 468A(e)(5) of the Code and ~~[Treas. Reg.]~~ [Treasury Regulations] § 1.468A-5(b) or any corresponding future law or Treasury Regulation.

Section 3.04. Compensation. The Trustee shall be entitled to receive out of the Funds reasonable compensation for services rendered by it, as well as expenses necessarily incurred by it in the execution of the ~~[trust]~~ [Trusts] hereunder, provided such compensation and expenses qualify as administrative costs and other incidental expenses of ~~[the]~~ [a] Qualified Fund, as defined in the Special Terms, with respect to any payment of compensation and expenses from ~~[the]~~ [that] Qualified Fund. The Company acknowledges that, as part of the ~~[Trustee's]~~ [Trustee's] compensation, the Trustee will earn interest on balances, including disbursement balances and balances arising from purchase and sale transactions. If the Trustee advances cash or securities for any purpose, including the purchase or sale of foreign exchange or of contracts for foreign exchange, or in the event that the Trustee shall incur or be assessed taxes, interest, charges, expenses, assessments, or other liabilities in connection with the performance of

this Agreement, except such as may arise from its own negligent action, negligent failure to act, or willful misconduct, any property at any time held for the Funds or under this Agreement shall be security therefor and the Trustee shall be entitled to collect from the Funds sufficient cash for reimbursement, and if such cash is insufficient, dispose of the assets of the Company held under this Agreement to the extent necessary to obtain reimbursement. To the extent the Trustee advances funds to the Funds for disbursements or to effect the settlement of purchase transactions, the Trustee shall be entitled to collect from the Funds either (i) with respect to domestic assets, an amount equal to what would have been earned on the sums advanced (an amount approximating the “federal funds” interest rate) or (ii) with respect to nondomestic assets, the rate applicable to the appropriate foreign market.

Section 3.05. Books of Account. The Trustee shall keep separate true and correct books of account with respect to each ~~{of the Funds}~~ [Fund], which books of account shall at all reasonable times ~~{and with reasonable notice}~~ be open to inspection by the Company or its duly appointed representatives. The Trustee shall furnish to the Company ~~{by}~~ [on or about] the tenth business day of each month a statement for each Fund showing, with respect to the preceding calendar month, the balance of assets on hand at the beginning of such month, all receipts, investment transactions, and disbursements which took place during such month and the balance of assets on hand at the end of such month. The Trustee agrees to provide on a timely basis any information deemed necessary by the Company to file the ~~{Company's}~~ [Company's] federal ~~{and}~~ [.] state [and local] tax returns.

Section 3.06. Reliance on Documents. The Trustee, upon receipt of documents furnished to it by the Company pursuant to the provisions of this Agreement, shall examine the same to determine whether they conform to the requirements thereof. The Trustee acting in good faith may conclusively rely, as to the truth of statements and the correctness of opinions expressed ~~{in}~~ [on] any certificate or other documents conforming to the requirements of this Agreement. If the Trustee in the administration of the Funds, shall deem it necessary or desirable that a matter be provided or established prior to taking or suffering any action hereunder, such matter (unless evidence in respect thereof is otherwise specifically prescribed hereunder) may be deemed by the Trustee to be conclusively provided or established by a certificate signed by the Chairman of the Board, the President or any Vice President of the Company and delivered to the Trustee. The Trustee shall have no duty to inquire into the validity, accuracy or relevancy of any statement contained in any certificate or document nor the authorization of any party making such certificate or delivering such document~~[.]~~ and the Trustee may rely and shall be protected in acting or refraining from acting upon any such written certificate or document furnished to it hereunder and believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee shall not, however, be relieved of any obligation (a) to refrain from self-dealing as provided in Section 3.03 hereof~~[:]~~ (b) to ensure that all assets of ~~{a}~~ [the] Qualified ~~{Fund}~~ [Funds] are invested

solely in Permissible Assets as defined in the Special Terms[.] or (c) to adhere to the Prudent Investor Standard if acting as manager.

Section 3.07. Liability and Indemnification. The Trustee shall not be liable for any action taken by it in good faith and without gross negligence, willful misconduct or recklessness and reasonably believed by it to be authorized or within the rights or powers conferred upon it by this Agreement and may consult with counsel of its own choice (including counsel for the Company) and shall have full and complete authorization and protection for any action taken or suffered by it hereunder in good faith and without gross negligence and in accordance with the opinion of such counsel, provided, however, that the Trustee shall be liable for direct damages resulting from investing assets of the Qualified ~~[Fund]~~ [Funds] in other than Permissible Assets or from self ~~[-]~~ dealing as provided in Section 3.03 hereof. Provided indemnification does not result in self ~~[-]~~ dealing under Section 3.03 hereof or in a deemed contribution to a Qualified Fund in excess of the limitation on contributions under Section 468A of the Code and the ~~[regulations]~~ [Treasury Regulations] thereunder, the Company hereby agrees to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without gross negligence, willful misconduct, recklessness or bad faith on the part of the Trustee, arising out of or in connection with its entering into this Agreement and carrying out its duties hereunder, including the costs and expenses of defending itself against any claim of liability, provided such loss, liability or expense does not result from investing assets of ~~[a]~~ [the] Qualified ~~[Fund]~~ [Funds] in other than Permissible Assets as defined in the Special Terms or from self ~~[-]~~ dealing under Section 3.03 hereof, and provided further that no such costs or expenses shall be paid if the payment of such costs or expenses is prohibited by ~~[section 468A of the Code or the regulations thereunder.~~ [section 468A of the Code or the Treasury Regulations thereunder.] ~~This indemnification shall survive the termination of this Agreement.]~~

The Trustee shall not be responsible or liable for any losses or damages suffered by ~~the~~ [a] Fund arising as a result of the insolvency of any custodian, subtrustee or subcustodian, except to the extent the Trustee was negligent in its selection or continued retention of such entity. Under no circumstances shall the Trustee be liable for any indirect, consequential, or special damages with respect to its role as Trustee.

Section 3.08. Resignation, Removal and Successor Trustees. The Trustee may resign at any time upon sixty (60) ~~[days]~~ [days'] written notification to the Company. The Company may remove the Trustee for any reason at any time upon thirty (30) ~~[days]~~ [days'] written notification to the Trustee. If a successor Trustee shall not have been appointed within these specified time periods after the giving of written notice of such resignation or removal, the Trustee or Company may apply to any court of competent jurisdiction to appoint a successor Trustee to act until such time, if any, as a successor shall have been appointed and shall have accepted its appointment as provided below. If the Trustee shall be adjudged bankrupt or insolvent, a vacancy shall thereupon be deemed to exist in the office of Trustee and a successor shall thereupon be appointed by the Company. Any successor Trustee appointed hereunder shall execute, acknowledge and

deliver to the Company an appropriate written instrument accepting such appointment hereunder, subject to all the terms and conditions hereof, and thereupon such successor Trustee shall become fully vested with all the rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named as Trustee hereunder. The predecessor Trustee shall[,] upon written request of the Company[,] and payment of all fees and expenses, deliver to the successor Trustee the corpus of the Funds and perform such other acts as may be required or be desirable to vest and confirm in said successor Trustee all right, title and interest in the corpus of the Funds to which it succeeds.

ARTICLE IV **Amendments**

The Company [may revoke this Agreement at any time or] may amend this Agreement from time to time, provided such amendment does not cause the Qualified [~~Fund~~] [~~Funds~~] to fail to qualify as [~~a~~] Nuclear Decommissioning Reserve [~~Fund~~] [~~Funds~~] under section 468A of the Code and the [~~regulations thereunder~~]. The Qualified Fund is [~~Treasury Regulations thereunder~~]. The Agreement may not be amended so as to violate 468A of the Code or the Treasury Regulations thereunder. If a proposed amendment shall affect the responsibility of the Trustee, such amendment shall not be considered valid and binding until such time as the amendment is executed by the Trustee. EXHIBIT "E"

CROSS-TRADING INFORMATION

As part of the cross-trading program covered by the Exemption for the Trustee and its affiliates, the Trustee is to provide to each affected Trust the following information:

I. The existence of the cross-trading program

The Trustee has developed and intends to utilize, wherever practicable, a cross-trading program for Indexed Accounts and Large Accounts as those terms are defined in the Exemption.

II. The "triggering events" creating cross-trade opportunities

In accordance with the exemption three "triggering events" may create opportunities for cross-trading transactions. They are generally the following (see the Exemption for more information):

- A. A change in the composition or weighting of the index by the independent organization creating and maintaining the index;
- B. A change in the overall level of investment in an Indexed Account as a result of investments and withdrawals on the account's opening date, where the Account is a bank collective fund, or on any relevant date for non-bank collective funds; provided, however, a change in an Indexed Account resulting from investments or withdrawals of assets of the Trustee's own plans (other than the Trustee's defined contribution plans under which participants may direct among various investment options, including Indexed Accounts) are excluded as a "triggering event"; or
- C. A recorded declaration by the Trustee that an accumulation of cash in an Indexed Account attributable to interest or dividends on, and/or tender offers for, portfolio securities equal to not more than 0.5% of the Account's total value has occurred.

III. The pricing mechanism utilized for securities purchased or sold

Securities will be valued at the current market value for the securities on the date of the crossing transaction.

Equity securities - the current market value for the equity security will be the closing price on the day of trading as determined by an independent pricing service; unless the security was added to or deleted from an index after the close of trading, in which case the price will be the opening price for that security on the

next business day after the announcement of the addition or deletion.

Debt securities - the current market value of the debt security will be the price determined by the Trustee as of the close of the day of trading according to the Securities and Exchange Commission's Rule 17a-7(b)(4) under the Investment Company Act of 1940.

Debt securities that are not reported securities or traded on an exchange will be valued based on an average of the highest current independent bids and the lowest current independent offers on the day of cross-trading. The Trustee will use reasonable inquiry to obtain such prices from at least three independent sources that are brokers or market makers. If there are fewer than three independent sources to price a certain debt security, the closing price quotations will be obtained from all available sources.

IV. The allocation methods

Direct cross-trade opportunities will be allocated among potential buyers or sellers of debt or equity securities on a [~~prorate~~] [pro rata] basis. With respect to equity securities, please note the Trustee imposes a trivial share constraint to reduce excessive custody ticket charges to participating accounts.

V. Other procedures implemented by the Trustee for its cross-trading practices

The Trustee has developed certain internal operational procedures for cross-trading debt and equity securities. These procedures are available upon request.

Upon the separation of the assets in accordance with the Company instructions, the Trustee, as to those assets while so separated, shall be released and relieved of all investment duties, investment responsibilities and investment liabilities normally or statutorily incident to a trustee; provided, however, that the Trustee shall not be relieved of the responsibility of ensuring that assets of ~~{a}~~ **[the]** Qualified ~~[Fund]~~ **[Funds]** are invested solely in Permissible Assets, as defined in the Special Terms. The Trustee shall retain all other fiduciary duties with respect to assets the investment of which is directed by investment managers.

(b) To the extent that the investment of assets of the Funds are not being directed by one or more investment managers under Section 3.02(a), the Trustee shall hold, invest, and reinvest the funds delivered to it hereunder as it in its sole discretion deems advisable, subject to the restrictions set forth herein for investment of the assets of ~~{a}~~ **[the]** Qualified ~~[Fund]~~ **[Funds]** and adherence to the Prudent Investor Standard.

(c) Regardless of the person directing investments, any assets of ~~{a}~~ **[the]** Qualified ~~[Fund]~~ **[Funds]** shall be invested solely in Permissible Assets as defined in, and required by, the Special Terms, and shall be accumulated, invested, and reinvested in like manner. Upon the written consent of the Company, the assets of a Qualified Fund relating to a Unit may be pooled with the assets of any other **[Qualified]** Fund relating to any **[other]** Unit; provided that the book and tax allocations of the pooling arrangement are made in compliance with Code section 704 (and the Treasury Regulations thereunder) provided further that such pooling arrangement elects to be classified as a partnership for federal income tax purposes.

(d) Notwithstanding any other provision of this Agreement, with respect to the pooling of investments authorized by subparagraph (c) no part of any Fund’s (or any subsequent holder’s) interest in such pool, nor any right pertaining to such interest (including any right to substitute another entity for the Fund or for any subsequent holder, as holder of investments pooled pursuant to subparagraph (c)) may be sold, assigned, transferred or otherwise alienated or disposed of by any holder of an interest in the pool

unless the written consent to the transfer of every other holder of interests in such pool is obtained in advance of any such transfer.

(e) Notwithstanding the provisions of subparagraph (d) of this Section, a Fund's investment in a pooled arrangement may be withdrawn from the pool (but not from the Master Trust, except as otherwise permitted by this Agreement) at any time upon 7 days written notice to the Trustee by the Fund. If the Fund withdraws its entire interest in a pool, the pooled arrangement shall terminate 30 days after notice of final withdrawal has been given by any withdrawing Fund unless a majority in interest of the remaining Funds give their written consent to continue the pool within such 30 day period. If the pooled arrangement terminates, each Fund's assets will be segregated into a separate account under the Master Trust, and no further commingling may occur for a period of at least one year after such termination.

(f) Subparagraphs (c), (d) and (e) apply to transfers of interests within, and withdrawals from, the pooling arrangement. Nothing within these sections shall be interpreted to permit or to limit transfer of interests in, or withdrawals from, a Fund, which transfers and withdrawals are governed by other provisions of this ~~[agreement]~~ **[Agreement]**. In addition, the provisions of subparagraphs (c), (d) and (e) shall not limit the Trustee's authority to invest in permissible common or collective trust funds.

Section 3.03. Prohibition Against Self Dealing. Notwithstanding any other provision in this Agreement, the Trustee shall not engage in any act of self dealing as defined in section 468A(e)(5) of the Code and Treasury Regulations § 1.468A-5(b) or any corresponding future law or Treasury Regulation.

Section 3.04. Compensation. The Trustee shall be entitled to receive out of the Funds reasonable compensation for services rendered by it, as well as expenses necessarily incurred by it in the execution of the ~~[trust]~~ **[Trusts]** hereunder, provided such compensation and expenses qualify as administrative costs and other incidental expenses of ~~[the]~~ **[a]** Qualified Fund, as defined in the Special Terms, with respect to any payment of compensation and expenses from ~~[the]~~ **[that]** Qualified Fund. The Company acknowledges that, as part of the Trustee's compensation, the Trustee will earn interest on balances, including disbursement balances and balances arising from purchase and sale transactions. If the Trustee advances cash or securities for any purpose, including the purchase or sale of foreign exchange or of contracts for foreign exchange, or in the event that the Trustee shall incur or be assessed taxes, interest, charges, expenses, assessments, or other liabilities in connection with the performance of this Agreement, except such as may arise from its own negligent action, negligent failure to act, or willful misconduct, any property at any time held for the Funds or under this Agreement shall be security therefor and the Trustee shall be entitled to collect from the Funds sufficient cash for reimbursement, and if such cash is insufficient, dispose of the assets of the Company held under this Agreement to the extent necessary to obtain reimbursement. To the extent the Trustee advances funds to the Funds for disbursements or to effect the settlement of purchase transactions, the Trustee shall be entitled to collect from the Funds either (i)

with respect to domestic assets, an amount equal to what would have been earned on the sums advanced (an amount approximating the “federal funds” interest rate) or (ii) with respect to nondomestic assets, the rate applicable to the appropriate foreign market.

Section 3.05. Books of Account. The Trustee shall keep separate true and correct books of account with respect to each ~~{of the Funds}~~ **[Fund]**, which books of account shall at all reasonable times be open to inspection by the Company or its duly appointed representatives. The Trustee shall, upon written request of the Company, permit government agencies, such as the NRC or the Internal Revenue Service, to inspect the books of account of ~~{the Funds}~~ **[each Fund]**. The Trustee shall furnish to the Company ~~{by}~~ **[on or about]** the tenth business day of each month a statement for each Fund showing, with respect to the preceding calendar month, the balance of assets on hand at the beginning of such month, all receipts, investment transactions, and disbursements which took place during such month and the balance of assets on hand at the end of such month. The Trustee agrees to provide on a timely basis any information deemed necessary by the Company to file the Company's federal, state and local tax returns.

Section 3.06. Reliance on Documents. The Trustee, upon receipt of documents furnished to it by the Company pursuant to the provisions of this Agreement, shall examine the same to determine whether they conform to the requirements thereof. The Trustee acting in good faith may conclusively rely, as to the truth of statements and the correctness of opinions expressed ~~{in}~~, **[on]** any certificate or other documents conforming to the requirements of this Agreement. If the Trustee in the administration of the Funds, shall deem it necessary or desirable that a matter be provided or established prior to taking or suffering any action hereunder, such matter (unless evidence in respect thereof is otherwise specifically prescribed hereunder) may be deemed by the Trustee to be conclusively provided or established by a certificate signed by the Chairman of the Board, the President or any Vice President of the Company and delivered to the Trustee. The Trustee shall have no duty to inquire into the validity, accuracy or relevancy of any statement contained in any certificate or document nor the authorization of any party making such certificate or delivering such document~~[.]~~ and the Trustee may rely and shall be protected in acting or refraining from acting upon any such written certificate or document furnished to it hereunder and believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee shall not, however, be relieved of any obligation (a) to refrain from self-dealing as provided in Section 3.03 hereof~~[,]~~**[:]** (b) to ensure that all assets of ~~{a}~~ **[the]** Qualified ~~{Fund}~~ **[Funds]** are invested solely in Permissible Assets as defined in the Special Terms~~[.]~~**[:]** or (c) to adhere to the Prudent Investor Standard if acting as manager.

Section 3.07. Liability and Indemnification. The Trustee shall not be liable for any action taken by it in good faith and without gross negligence, willful misconduct or recklessness and reasonably believed by it to be authorized or within the rights or powers conferred upon it by this Agreement and may consult with counsel of its own choice (including counsel for the Company) and shall have full and complete authorization and protection for any action taken or suffered by it hereunder in good faith and without gross

negligence and in accordance with the opinion of such counsel, provided, however, that the Trustee shall be liable for direct damages resulting from investing assets of the Qualified ~~[Fund]~~ **[Funds]** in other than Permissible Assets or from self dealing as provided in Section 3.03 hereof. Provided indemnification does not result in self dealing under Section 3.03 hereof or in a deemed contribution to a Qualified Fund in excess of the limitation on contributions under Section 468A of the Code and the Treasury Regulations thereunder, the Company hereby agrees to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without gross negligence, willful misconduct, recklessness or bad faith on the part of the Trustee, arising out of or in connection with its entering into this Agreement and carrying out its duties hereunder, including the costs and expenses of defending itself against any claim of liability, provided such loss, liability or expense does not result from investing assets of ~~[a]~~ **[the]** Qualified ~~[Fund]~~ **[Funds]** in other than Permissible Assets as defined in the Special Terms or from self dealing under Section 3.03 hereof, and provided further that no such costs or expenses shall be paid if the payment of such costs or expenses is prohibited by section 468A of the Code or the Treasury Regulations thereunder.

The Trustee shall not be responsible or liable for any losses or damages suffered by ~~the~~ **[a]** Fund arising as a result of the insolvency of any custodian, subtrustee or subcustodian, except to the extent the Trustee was negligent in its selection or continued retention of such entity. Under no circumstances shall the Trustee be liable for any indirect, consequential, or special damages with respect to its role as Trustee.

Section 3.08. Resignation, Removal and Successor Trustees. The Trustee may resign at any time upon sixty (60) ~~[days]~~ **[days']** written notification to the Company. The Company may remove the Trustee for any reason at any time upon thirty (30) ~~[days]~~ **[days']** written notification to the Trustee. If a successor Trustee shall not have been appointed within these specified time periods after the giving of written notice of such resignation or removal, the Trustee or Company may apply to any court of competent jurisdiction to appoint a successor Trustee to act until such time, if any, as a successor shall have been appointed and shall have accepted its appointment as provided below. If the Trustee shall be adjudged bankrupt or insolvent, a vacancy shall thereupon be deemed to exist in the office of Trustee and a successor shall thereupon be appointed by the Company. Any successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Company an appropriate written instrument accepting such appointment hereunder, subject to all the terms and conditions hereof, and thereupon such successor Trustee shall become fully vested with all the rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named as Trustee hereunder. The predecessor Trustee shall ~~[,]~~ upon written request of the Company ~~[,]~~ and payment of all fees and expenses, deliver to the successor Trustee the corpus of the Funds and perform such other acts as may be required or be desirable to vest and confirm in said successor Trustee all right, title and interest in the corpus of the Funds to which it succeeds.

Section 3.09. Merger of Trustee. Any corporation or other legal entity into which the Trustee may be merged or with which it may be consolidated, or any corporation or other legal entity resulting from any merger or consolidation to which the Trustee shall be a party, or any corporation or other legal entity to which the corporate trust functions of the Trustee may be transferred, shall be the successor Trustee under this Agreement without the necessity of executing or filing any additional acceptance of this Agreement or the performance of any further act on the part of any other parties hereto.

ARTICLE IV **Amendments**

The Company may revoke this Agreement at any time or may amend this Agreement from time to time, provided such amendment does not cause the Qualified ~~[Fund]~~ **[Funds]** to fail to qualify as ~~[a]~~ Nuclear Decommissioning Reserve ~~[Fund]~~ **[Funds]** under section 468A of the Code and the Treasury Regulations thereunder. The ~~[Qualified Fund is]~~ **Agreement may not be amended so as to violate 468A of the Code or the Treasury Regulations thereunder. The Qualified Funds are** established and shall be maintained for the sole purpose of qualifying as ~~[a]~~ Nuclear Decommissioning Reserve ~~[Fund]~~ **[Funds]** under section 468A of the Code and the Treasury Regulations thereunder. If the Qualified ~~[Fund]~~ **[Funds]** would fail to so qualify because of any provision contained in this Agreement, this Agreement shall be deemed to be amended as necessary to conform with the requirements of section 468A and the ~~[regulations]~~ **Treasury Regulations** thereunder. If a proposed amendment shall affect the responsibility of the Trustee, such amendment shall not be considered valid and binding until such time as the amendment is executed by the Trustee. Notwithstanding any provision herein to the contrary, this Agreement cannot be modified in any material respect without ~~[first providing 30 days]~~ **[the]** prior written ~~[notice to]~~ **consent of** the NRC Director, Office of Nuclear Reactor Regulation.

EXHIBIT "E"

CROSS-TRADING INFORMATION

As part of the cross-trading program covered by the Exemption for the Trustee and its affiliates, the Trustee is to provide to each affected Trust the following information:

I. The existence of the cross-trading program

The Trustee has developed and intends to utilize, wherever practicable, a cross-trading program for Indexed Accounts and Large Accounts as those terms are defined in the Exemption.

II. The "triggering events" creating cross-trade opportunities

In accordance with the exemption three "triggering events" may create opportunities for cross-trading transactions. They are generally the following (see the Exemption for more information):

- A. A change in the composition or weighting of the index by the independent organization creating and maintaining the index;
- B. A change in the overall level of investment in an Indexed Account as a result of investments and withdrawals on the account's opening date, where the Account is a bank collective fund, or on any relevant date for non-bank collective funds; provided, however, a change in an Indexed Account resulting from investments or withdrawals of assets of the Trustee's own plans (other than the Trustee's defined contribution plans under which participants may direct among various investment options, including Indexed Accounts) are excluded as a "triggering event"; or
- C. A recorded declaration by the Trustee that an accumulation of cash in an Indexed Account attributable to interest or dividends on, and/or tender offers for, portfolio securities equal to not more than 0.5% of the Account's total value has occurred.

III. The pricing mechanism utilized for securities purchased or sold

Securities will be valued at the current market value for the securities on the date of the crossing transaction.

Equity securities - the current market value for the equity security will be the closing price on the day of trading as determined by an independent pricing service; unless the security was added to or deleted from an index after the close of trading, in which case the price will be the opening price for that security on the next business day after the announcement of the addition or deletion.

Debt securities - the current market value of the debt security will be the price determined by the Trustee as of the close of the day of trading according to the Securities and Exchange Commission's Rule 17a-7(b)(4) under the Investment Company Act of 1940.

Debt securities that are not reported securities or traded on an exchange will be valued based on an average of the highest current independent bids and the lowest current independent offers on the day of cross-trading. The Trustee will use reasonable inquiry to obtain such prices from at least three independent sources that are brokers or market makers. If there are fewer than three independent sources to price a certain debt security, the closing price quotations will be obtained from all available sources.

IV. The allocation methods

Direct cross-trade opportunities will be allocated among potential buyers or sellers of debt or equity securities on a ~~prorata~~ **pro rata** basis. With respect to equity securities, please note the Trustee imposes a trivial share constraint to reduce excessive custody ticket charges to participating accounts.

V. Other procedures implemented by the Trustee for its cross-trading practices

The Trustee has developed certain internal operational procedures for cross-trading debt and equity securities. These procedures are available upon request.
