Subject: Re: Commissioner Merrifield's Travel to Mexico in February

Beth,

Thanks for taking the initiative to contact our office about the Mexico trip. I will be accompanying the Commissioner on his trip. Could you please provide Commissioner Merrifield the typical briefing that OIP provides for foreign travel and provide a suggested itinerary for the Commissioner to review. You can contact Lorna Pini in our office to schedule a date and time for the briefing.

The trip is scheduled for February 6th through 9th. However, the Commissioner would like to first visit the South Texas Project (we have not contacted South Texas yet) and then would travel to Mexico from Texas on the afternoon of the 7th. He intends to fly into Mexico City for meetings on the 8th and to the nuclear plant Laguna Verde on the 9th. I believe Laguna Verde is located near Veracruz. The South Texas trip is tentative. I will give you more details as I get them.

Thanks in advance for your help. Please feel free to call me with any questions (415-1857).

Margie

Hi Lynne! Janice mentioned that Commissioner Merrifield plans to travel to Mexico on February 5 after a visit to South Texas. Recently I have been assisting Donna-Marie in matters related Mexico, and would like to help arrange Commissioner Merrifield's upcoming visit. If you and the Commissioner agree, perhaps I could get together with you to discuss his plans.

thanks!
Beth
