Mr. Christer Viktorsson
Deputy Director General
Office of Reactor Safety
Swedish Nuclear Power Inspectorate
Stockholm, S-106 58
SWEDEN

Dear Mr. Viktorsson:

I am writing to express my appreciation for the courtesy shown to Ms. Margaret S. Chatterton during her recent visit to the Swedish Nuclear Power Inspectorate. Her objectives for this meeting were fully achieved. It was obvious that considerable thought and preparation were expended by you and your staff in order to make the meeting so successful.

Ms. Chatterton particularly noted the efforts made by Jan In De Betou, Ingrid Tocksberg, and Annelie Carlen to assure success of the meeting. It is especially satisfying when meetings of this type result in significant exchange of technical information as this one did. I look forward to opportunities to continue these types of information exchanges.

Sincerely,

/RA/

Gary M. Holahan, Director
Division of Systems Safety and Analysis
Office of Nuclear Reactor Regulation
