Dick: Assuming that your response would need 2 hours work or less, then please respond directly to SKI and copy me and Howard Faulkner of OIP. The TAC # for this work will be: M 40733. If this effort will take more than 2 hours then we need to talk. Thank you.

Mike - Pls see the attached request from Sweden. We would like to cooperate and share information on this topic with SKI. (Stu Richards has approved.) Who do we inform in IP? Pls let me know how to proceed on this issue.

Thanks!!
