Attached is BCOC March 29 filing in response to the judges. I was not able to open the file that had their April 5 comments on the NRC and CP&L's response.

Susan could you resend BCOC's April 5th filing.

Thanks

George, no I don't have it.

Rich, Susan, do you have an electronic version of the BCOC comments of the TWG Decommissioning Report that the judges requested recently? Thanks
