Subject: Re: Region I internal meeting on IP2

dave and brian, i intend to attend. in the meantime, we need to keep working with NRR (barrett's group) and Borchardt to get good alignemnt on the NOV and the significance determination.

>>> David Lew 07/27 4:57 PM >>>

The executive conference has been reserved for Monday @ 1:00 pm for an internal SDP pre-panel. Because I was not able to get a hold of the Region I managers this afternoon. I asked the secretaries to block out the time on the personal calenders of Hub, Jim, Wayne, Brian, and Randy. I am expecting Wayne Schmidt, Jim Trapp, Dan Holody, and Greg Cranston to be there. I have yet to touch base with Pete Eselgroth and Rick Urban.
