Kay, Please put on Wayne's calendar a status meeting on the steam generators for Wed 6/14 @ 1:00 p.m. Thanks. Dave.

Wayne Schmidt, Plan on attending this meeting. We should cover:

- (1) the status of the inspection, including the barrier analysis, what has been found to date and what remains to be reviewed.
- (2) estimated projection of key event including the SE - inspection coordination, planned public meetings associated with the inspection, planned public exit, planned report issuance
- (3) interactions to date with external stakeholder, i.e., NYS PSC
- (4) status of the SE

Thanks. Dave.

**CC:** Wayne Lanning, Wayne Schmidt
