Hello!

Wynd Communications would like to request information regarding the Nuclear Regulatory Commission's existing Pager and Cell Phone Contracts via the Freedom of Information Act. I understand these may be separate contracts and we are seeking information on both. Specifically we seek the following:

- * Date each contract expires
- * Number of units encompassed in each contract
- * Names of vendors serving each contract
- * The name and contact information of the contract officer or similar position that administers each contract
- * The point of contact and procedure to be added to the bidder list for each contract

You can mail the information to:
Wynd Communications
75 Higuera St.
Suite 240
San Luis Obispo, CA 93401
Attn: Frank Endres

You can also email me the information at:
fendres@wynd.com <mailto:fendres@wynd.com>

Or you can fax it to:
805-596-2928

If there is a fee associated with this request please contact me directly. Thank you for your time and attention with this request.
