

July 17, 2001

Mr. David Fogle
Radioactive Materials Enforcement
Bureau of Radiation Control
Texas Department of Health
1100 West 49th Street
Austin, TX 78756-3189

Dear Mr. Fogle:

Per our discussion, you are requested to attend the Organization of Agreement States Integrated Materials Performance Evaluation Program review of the U.S. Nuclear Regulatory Commission (NRC) Sealed Source and Device Program scheduled for September 10-14, 2001 in Rockville, Maryland.

NRC will provide for invitational travel. If you have any general questions, please contact me at (301) 415-2320. Specific questions regarding the travel arrangements should be directed to Ms. Brenda Usilton at (301) 415-2348.

Sincerely,

/RA/

Kathleen N. Schneider, Sr. Project Manager
Office of State and Tribal Programs

David Fogle
