Dear Mr. Tucker:

SUBJECT: AMENDMENT OF CONFIRMATORY ORDER

Re: Oconee Nuclear Station, Units 1, 2 and 3

By letter dated March 18, 1983, the Commission issued an Order to you confirming your commitments to implement those post-TMI related items set forth in NUREG-0737 for which the staff requested completion on or after July 1, 1981. By letters dated August 26, 1983, and September 24, 1984, you requested that certain dates you committed to in the Order, be amended.

Since that time, your NRC Project Manager has informed you, in a consultation with the Office of the Executive Legal Director, that you need to propose an amendment to your license with proper justification before the dates of the Order may be amended.

We will continue to have on hold your request to amend certain dates in the confirmatory Order until we receive your request for a license amendment.

Sincerely,

ORIGINAL SIGNED BY  
JOHN F. STOLZ
